1. THIS IS THE SECOND PART OF A 2 PART SEQUEL!

2. INT. JAKE'S HOME - MANCAVE - DAY

SUPER: 24 July 2020 - 20:39.

Third Camera - JAKE(30+- athletic male) faces the camera.

JAKE

Hey, umm, My name is Jake Morison.
So, I just found this fake
documentary on videoshare.com.

Jake, pans the camera around -- a large PC monitor; displays the videoshare.com website with the documentary "Hiking the Kings Trail" on pause. As the camera pans around the desk, there are 2 more large monitors. The displays are on a screen-saver -- the camera pans across the room; there are some boxes and a cabinet with hiking gear and video equipment.

JAKE

The description states that is a documentary of 2 guys who are hiking some place in Scandinavia back in 2002. Me and my buddy Dave always wanted to make a video like this. As if we were chased by some Bigfoot monster. I will try to contact him.

Jake gets up, grabs the Third Camera -- walks towards the cabinet with the hiking gear. He gives us a close up of the cabinet and the content; a tent, a pan-set, a 1-pit gas-stove, a camp hatchet, the bottom part of the cabinet is stacked with folded hiking clothes. Jake, holds the camera selfie style.

JAKE

Look at this! About 12 years ago; me and Dave were convinced we would make a documentary like this! We bought all the camping equipment and video cameras.

Jake puts the camera on a table -- takes a seat in a sofa, the sofa stands in front of a home-cinema.

3. INT. JAKE'S MANCAVE - DAY

SUPER: 25 July 2020 - 17:39.

Jake's GoPro - we see his PC monitor - which happens to be a large monitor. There is a video application. DAVE(+35 athletic male) shows in the screen. Jake pushes the mouse button -- which makes Dave's video full-screen.

DAVE

I have seen the video, Jake. Me and my wife were amazed about their adventure and their software editing skills.

Dave's WIFE NANCY (35+-, female.), she is not paying attention to Dave or the video chat. She is cooking something in the kitchen.

JAKE

Well, what is the verdict, Dave?

DAVE

You know, my job allows me to stay away for a few weeks. And even my WIFE allows me to go. However there are a few buts, and ifs.

JAKE

'But', as in; you can only go for 2 weeks or something? 'If'? as in; If we stay in the states?

Dave starts to laugh. Dave waves at his WIFE.

DAVE

Nancy, come tell Jake. What the 'ifs' and 'buts' are.

WIFE NANCY is coming over.

WIFE NANCY

Hey Jake, you are not going to abandon my boyfriend are you? In the mountains, are you?

JAKE

No, why would you say that for Nancy?

Wife Nancy is annoyed.

WIFE NANCY

Aww, forget about it. So, me and Dave discussed this. He can go with you! But he got to come home in 1 piece. And after this adventure there will be no more adventures!

Jake starts to laugh.

JAKE

It won't be dangerous, me and Dave have seen it all before. The Swedish mountains are very much like the local hills.

TIM(+7, male) comes walking toward Wife Nancy.

JAKE

Hey kid.

DAVE

Tim! Tim, is his name, Jake!

JAKE

Oh yes, I forgot. Hey Tim.

Wife Nancy, points toward a cabinet on Dave his right side. Which displays some camping gear.

WIFE NANCY

Dave, you just have to promise.
That this cabinet with hiking gear
will be gone after you return.

4. INT. JAKES HOME - DAY

SUPER: 25 July 2020 - 20:52.

In a dimly lit living room Jake and his girlfriend, GF MANDY(+30 fit female) sit on the sofa. They are watching a large flat-screen.

The screen shows 1 of the last scenes of the found footage movie.

Gf Mandy is clearly not amused and has somewhat of a temper.

GF MANDY

You keep saying that, Jake!

She looks at Jake intensely.

GF MANDY

That's not a software video! That's
fucking real, Jake!

Jake tries to calm her down.

JAKE

It's just a video some guys made.
They had some professional software
to make it somewhat scary.
I told you before, me and Dave were
going to make this exact video.

GF MANDY

Yes, you told about a video you
wanted to make here in the local
hills.
Not for 5 weeks on the freaking
North Pole.

JAKE

Aww, come on baby. It's not on the North-pole it's just Europe.

GF MANDY

They nearly freeze to death there, and you want to do that for, WHAT! For fun?

JAKE

Just, to fulfill a childhood dream.

GF MANDY

And then you are gone for 5 weeks?

JAKE

You always go away Friday night with your friends. Why shouldn't I go away with Dave? Just this one time.

GF MANDY

And you think I am going to sit here? Waiting everyday for a phone-call that they found your frozen body.

Make this longer conflict scene - insert Jake moneytroubles; so he sets up a crowdfunding with or without Dave his knowledge

5. INT. DAVE WEDDING PARTY - DAY

SUPER: 5 Sept 2020 - 18:20.

SISTER IRIS (30+- female), holds Dave's GoPro.

Dave's Gopro - turned on -- turns around some -- shows a small party center. Which is full of colorful wedding decorations. Dave is in his best suit next to Wife Nancy, in her wedding dress. Who holds the hand of Tim.

SISTER IRIS

How, do you know if it is on?

Dave grabs the camera and points toward it.

SISTER IRIS

So, it is recording?

DAVE

If the LED blinks, it is.

Sister points the camera in Dave his face.

SISTER IRIS

Congratulations, Dave and Nancy. I am soo happy that you two are married. Dave could not have wished for a better wife then you, Nancy.

WIFE NANCY

Aww, that is soo sweet of you.

DAVE

Thank you sister. Now it is your turn to find a husband.

Sister Iris smiles uncomfortably.

SISTER IRIS

Why? Do you want to film this trip of you and Jake, Dave.

DAVE

I, just told you in detail.

SISTER IRIS

Yes, but not on video yet. You have not told the audience yet. If you want to make a successful documentary, you should give the audience some basic information.

Dave looks at the camera for a second.

DAVE

I guess, you know better then I sister. Since you are the best journalist in the village!

Sister iris starts to laugh.

SISTER IRIS

That reward was for best journalist in the county.

WIFE NANCY

He wants, to show our children that he once was a manly man.

Wife Nancy looks very sweet at Dave. Dave looks embarrassed away. While he pads the young boy on the head.

DAVE

Me and Jake always did this amazing hiking adventures. And we played around with the idea of a hiking documentary for 15 years or so.

(MEER)

DAVE (CONT'D)

Now we are married, and we are planning on having kids of the two of us. This was the right opportunity to make this European Hiking adventure.

WIFE NANCY

This is also the last time, I will let him go off for 6 weeks!

Wife looks at Dave intensely.

WIFE NANCY

That was not a joke Dave!

Dave nods in the camera -- shakes his shoulder with his hands in the air.

SISTER IRIS

Okay, well short and sweet. I like it! To summery; Dave wants to proof his manhood before he matures.

Sister iris pans the camera around -- turns back to Dave and his wife.

SISTER IRIS

I will interview your parents now.

She turns around -- Jake bumps into her.

SISTER IRIS

Oh, hey Jake. Who is this?

JAKE

Hey, this would be my girlfriend Mandy.

TIME

SISTER is talking with Dave his parents. Who sit at a sofa drinking champagne. S.O. Cheering. SISTER turns around -- sees Jake sitting on his knee -- giving a wedding ring to his girlfriend. She burst into tears -- looks sweet at Jake -- grabs the ring -- they kiss.

TIME

SISTER IRIS

Hey Jake, are you just proposed to this beautiful woman?

Jake smiles.

JAKE

You saw it first hand, Iris!

Sister Iris looks at Gf Mandy.

SISTER IRIS

I am soo happy for you, Mandy.

GF MANDY

Thank you soo much. I never expected that from Jake, tonight.

SISTER IRIS

What do you think of Jake leaving for this debunking adventure? Should he not stay with you if he wants to marry you?

GF MANDY

Well, you know, if he is away for awhile. I can arrange our wedding.

JAKE

She knows how much me and Dave wanted to make 1 last long hiking trip for years.

CO-WORKER(40 funny, somewhat drunk male) walks up to Jake.

CO-WORKER

That is this first time, that I saw a proposal on a wedding party. You got balls, Jake.

Co-worker grabs his balls as a gesture.

SISTER IRIS

Why did you choose to debunk this video, Jake? From my research the Trolls may be real.

GF MANDY

Yes, that's what I said. But Jake, keeps insisting, that were just software images.

Jake starts to laugh.

JAKE

Ahh come on, that were just some hoaxers.

SISTER IRIS

I did some research; There is a Swedish law from 1328 still in effect. That grants legal protection to Trolls.

CO-WORKER

Don't loose your balls over there Jake.

Co-worker shakes his head and walks off again.

JAKE

Oh God, you are one of those conspiracy nut-cases. I read those Troll comments on the Internet. Our documentary will put a stop to that nonsense once and for all, Iris.

GF MANDY

Just call me every day Jake! Like EVERY DAY.

6. INT. INFO VIDEO - DAY

SUPER: 12 Sept 2020 - 13:05.

Bright and sunny day.

Third Camera - the camera is pointed at a trail next to a lake or river. In the distance Dave and Jake walk, with their backpacks on their back toward the camera.

SISTER IRIS(VOICE OVER)

The Internet has been hit with a giant hoax. Containing giant man-eating creatures that devour anyone who dares to enter the hiking Trail in the barren wastelands of Sweden. These 2 studs will be your host. In this film, detailing the debunking of the documentary "Trolls on the Kings Trail."

Dave and Jake arrive at the prepared spot in front of the camera next to the shoreline.

They put their backpacks on the ground. (On Dave's backpack there is a camouflage color, solar panel. - On Jake's backpack there is a white shiny solar panel).

They both look clean cut, shaved and in tight business shirts.

They are close to a river/lake and walk toward the camera as they speak.

SISTER IRIS

First you, Dave.

Dave walks toward the camera with his hands together, with the tip of the fingers touching each-other.

The camera zooms in on Dave as he speaks.

DAVE

My name is Dave, I am 32 years old. Me and my wife, Nancy take care of her son from a previous relation. Once we saw this hoax, we knew we would be the perfect candidates. With the right experience portfolio to put a stop to all the conspiracy talk, about this specific subject on the Internet Forums.

SISTER IRIS

Now, it is your turn, Jake.

Jake walks toward the camera -- the camera zooms in on him.

JAKE

Hey, I am Jake Morison, 30 years old. Soon I will be married with the most beautiful woman on this planet, Mandy. I have a lifetime experience in the outdoors. From fishing, hiking, mountain biking to survival trips. When I saw this Hoax called the "Trolls on the Kings Trail" all my alarm bells were ringing. It was so obvious fake, however the Trolls on the Internet were convinced of its authenticity. That's why me and Dave, sacrifice a big part of our spare time, funds, and experience to debunk this hoax of the century once and for all.

SISTER IRIS

Okay, okay! That's enough, Jake.

Sister makes a hand gesture. Dave and Jake sit on the pick-nick table that was off-screen. On the pick-nick table there are several phones, GPS gadgets, and video cameras. Small camp hatchet, ice picks, etc.

SISTER IRIS

Now, Dave, what is your plan of attack. To debunk this Internet sensation?

DAVE

We have made a detailed analysis of that video. Of their locations and above all of their numerous mistakes and errors.

JAKE

So, not to give any wiggle room to the Trolls on the Internet.
(MEER)

JAKE (CONT'D)

We will go in the exact same locations and time of the year as they did.

DAVE

That is correct. We will however start in the North, since the mountains are higher in the North. So, we will avoid the sudden snowfall, for, they hiked in the wrong direction.

JAKE

We will also take multiple emergency items. As multiple phones, GPS, Compass etc etc. We have it all covered in our well planned-out Debunking expedition!

SISTER IRIS

You showed me the Hiking itinerary. Technically that is not even, The Kings Trail.

DAVE

Yea, that is what we discovered. Apparently Frank and Fred, tried to avoid the "busy"
(makes a comma sign)
tracks on the hiking trail.

JAKE

That is 1, of the numerous errors in their fake Troll hoax.

SISTER IRIS

Frank and Fred, had ultra modern military equipment. Can you talk some about that? Also, you talk about an itinerary can you describe that?

DAVE

I will take the first question, Jake can you describe the itinerary?

Jake nods in agreement.

JAKE

I will spare you all the Swedish and Norwegian names, since they even dazzle me. But there are some specific locations that we will investigate.

(MEER)

JAKE (CONT'D)

First on the list is the Mountain cabin in which they saw this mysterious by now 35 year old visitor book. Also the Internet is arouse with the mysterious black bag, that Frank did hide next to the hiking trail

DAVE

Okay that's enough Jake. Well, Frank and Fred, hiked back in 2002! Back then things like a simple GoPro and lightweight backpacking gear were all high tech so called military grade. But these days, we can buy these things in the local dollar store.

SISTER IRIS

Jake, remember that you have to call your soon-to-be wife every single day!

7. EXT. AIRPORT - DAY

SUPER: 17 Sept 2020 - 6:28.

Dave's GoPro -

Dave and Jake walk outside the airport through the sliding doors.

They stop and place their bags on the ground. They both open their bags to see what is missing.

DAVE

They took my icepicks out I see that already.

JAKE

My ax, is gone also. It was here on the right side of my bag.

JAKE

Why the hell would they take that out, man? It wasn't even in our hand-luggage.

DAVE

I feel like we have been robbed man.
As if you wake up after a good night with a 'classy hooker'. Had a great night, great sex, and then you wake up.

(MEER)

DAVE (CONT'D)

And find out, she is missing with my keys and wallet. You know that feeling?

Jake looking somewhat surprised.

JAKE

No, I don't really... Anyway, we can buy that stuff somewhere in the mountains.

8. EXT. ROAD SIDE - DAY

SUPER: 17 Sept 2020 - 14:52

Dave's Gopro -

Dave and Jake are standing on the roadside. Next to a simple bus stop.

Jake looks anxiously at the 1 side of the road. Dave looks on his smart-phone.

DAVE

Dude, it should have been here 30 minutes ago.

JAKE

Maybe, we missed it.

DAVE

No, we were 15 minutes early.

JAKE

Okay, let's give it 10 more minutes.

Dave looks at the bus-stop time table.

DAVE

Wait, I call this number.

Dave calls.

DAVE

Yes, hello with Dave.. I am here at the bus-stop at Fauske and we are waiting for bus N65. But it is 30 minutes too late.

JAKE

35 minutes.

DAVE
 (In his telephone)
 35 minutes already... It is the
 summer time table?... It is summer
 it is September... Oh okay.. Yes
 all rite bye.

Dave looks at the time table again.

DAVE
 That is the summer time table. We
 need the winter timetable in
 September.

Jake looks at the time table also.

JAKE
 Yes, okay, the dates are stated.

DAVE
 Would you look at the winter
 timetable in bloody September?

JAKE
 Here the next bus goes tomorrow
 10:15.

DAVE
 Right.

Dave looks around.

DAVE
 Great place to stay the first
 night.

JAKE
 It's only 10Km right to the trail-
 head.

DAVE
 Yea.

JAKE
 Okay, so we walk.

Just when they start walking a car pulls over.

9. INT. CAR HITCHHIKE - DAY

SUPER: 15 minutes later.

Jake's GoPro - shows a WOMAN(+50 female) driving in her car
 on a deserted road through the forest. Dave sits in the
 passenger seat.

WOMAN

You are, going up in the mountains?

DAVE

Yes, a long hike down south.

WOMAN

The Kungsleden.

JAKE

Yes! How do you know that?

WOMAN

That's what you do around here. I have been hiking in the mountains many times.

DAVE

Okay, any tips?

WOMAN

Yea, don't go in September.

JAKE

Ouuhhh, scary Trolls, right?

Woman starts laughing.

WOMAN

No, because of the snow of-course.

DAVE

It is middle of September. Look outside, it is nice and sunny.

WOMAN

Yes, but it can go snowing any day in September.

JAKE

Thanks! But we have snow gaiters, snow jackets everything.

DAVE

Yes, we are prepared for some snow.

WOMAN

Okay.. I told you... Here you can start your hike. The trail starts here.

Woman stops the car, and Dave and Jake get out.

10. EXT. TRAILHEAD - NIGHT

SUPER: 21:00.

Dave's GoPro -

Dave and Jake stand on the roadside where the hiking trail goes into the forest.

At the start of the trail which is nothing more than a simple hiking trail sign -- is a poster of a missing hiker. With the text: "Missing since 2017"

DAVE

Not much of a trail really.

JAKE

Maybe, it gets bigger further down.

DAVE

Okay, lets go.

They hike into the forest.

SUPER: 15 minutes later.

JAKE

Okay, we made it in 1 day from USA to this trail in the middle of nowhere. Time to setup camp.

DAVE

Yea, call me when you find a flat spot for a bloody tent, okay?

Jake stops for a minute to look around.

JAKE

Didn't we take those bivvybags? For a situation like this.

DAVE

You want to sleep in a bivvybag, after 14 hours of flying, 2 hours in the taxi, a bus ride, and a hitchhike?

JAKE

Sounds better than hiking with all this stuff, really.

11. EXT. TRAIL - NIGHT

SUPER: 18 Sept 2020 - 2:36.

Dave's GoPro - The camera moves erratically before it stabilizes. A small flashlight shines through the forest.

JAKE (OFF SCREEN)

How the hell should I know it was going to rain dude?

DAVE

I told you we should find a good spot for a tent.

JAKE

Dude, my whole bag is soaking wet.

DAVE

Same here, my sleeping bag also.

JAKE

Fuck, we can't sleep like this.

DAVE

No, so, we better get going.

JAKE

At least we had some sleep, right?

They pack their stuff.

SUPER: 2 hours later.

Dave and Jake hike in the dark, through the forest. Their headlights shine in front of them.

JAKE

I told you. That we should have started in the South.

DAVE

Yes, I know. So did I.

JAKE

Doesn't seem like that world famous hiking trail is getting any bigger really.

DAVE

Maybe, in the south it is bigger since there are more people walking on it.

JAKE

Maybe, I thought there would be more hikers.

DAVE

Maybe that woman put us on a road to nowhere.

JAKE

She was kinda creepy.

DAVE

Yea, she looked a little bit as that Troll in the video.

Jake starts laughing.

JAKE
Yes, shit I forgot to film her.

12. EXT. TRAIL DOCU - DAY

SUPER: 20 Sept 2020 - 12:36.

IT IS A NICE SUNNY DAY.

Jake keeps the Third Camera pointed at the river bank. Where Dave walks calmly toward the camera.

Third Camera - has an overview of the riverbank, and zooms in on Dave while he talks. Dave walks from the river bank toward the camera. His hands are together while the tips of his fingers touch each-other.

DAVE
This ladies and gentleman is where Frank and Fred saw the legendary software monsters.

Dave looks calmly around then extends his rights arm toward the riverbank.

DAVE
As you can witness yourself. There are currently no giant man-eating Trolls roaming around. We will further this investigation toward final disclosure. Ahum, of their fakery.

Third Camera - zooms out again.

13. EXT. TRAIL - DAY

SUPER: 20 Sept 2020 - 16:20.

Jake's GoPro - Jake is climbing in a tree. Jake's phone starts to ring. Jake picks it up.

JAKE
Hey baby, I am fine really.

JAKE
No, I am actually, in a tree. The GPS is fucked around here. So I am trying to get a GPS location.

Jake drops the phone. Jake goes down -- The phone is broken.

JAKE

Fuck, just when I had the GPS fixed.

14. EXT. TRAIL FISHING SPOT - DAY

SUPER: 21 Sept 2020 - 13:12.

It is a nice sunny day.

Third Camera - Dave sits on a log next to the shore of a lake. He is cutting the aluminum from an empty beer can. Next to him there is a fishing pole, and some small boxes with fishing hooks and fishing floats.

TIME

Dave's GoPro -- Jake stands next to Dave and shows his fishing lure to Dave's GoPro. The lure is a DIY fishing lure from a tin can. Dave throws it out. Dave reels his fishing lure in.

Dave hooks a fish. He reels it in -- Jake looks toward his right and sees Dave reeling in a fish.

JAKE

No way! You are stuck right?

Dave holds the fish out of the water. Shows it in front of his GoPro -- The makeshift lure from a tin can is clearly visible.

DAVE

Well, we will cut this out. Somehow that fake story could have been true.

Jake reels his fishing line in as well -- catches a small trout as well.

JAKE

Oh my God! I got one as well.

Jake shows the fish in Dave his GoPro as well.

DAVE

Oh well. We will use the beer cans instead.

TIME

Jake walks from the shoreline toward the camera with his hands together with the tip of the fingers touching each other. The camera zooms in on him as he starts talking.

JAKE

Ladies and gentleman, on our quest
to debunk.
We are today trying out the beer
can fishing lure.
See yourself how we debunk The
troll Hoax step by step.

TIME

Third Camera - Dave and Jake are at the shore they show their
beer can lure to the camera. They are full cans of beer, with
a bend tent peg taped to it. they throw the can with their
hands into the lake, making 2 loud splashes. -SPLASH- -- They
reel in their beer can lures, both their tips of their rod
are bend very far.

DAVE

Shit still didn't catch anything
with this lure.

JAKE

Just 1 more cast, Dave. We will
catch that monster fish today.

15. EXT. TRAIL CAMPSITE - EXT

SUPER: 22 Sept 2022 - 12:31.

Third Camera - Dave and Jake sit next to a campfire. Dave
sits on a log at a fire circle. In his shorts and T-shirt, it
is a nice sunny day. There are 2 trouts on the fire.

DAVE

I am going to get the coffee.

Dave stands up -- walks off. Jake messes around with his
trout. Then Jake looks up (as if he heard something). Jake
looks paranoid around. The tree on the right side of the
Third camera, starts shaking violently -- the tree falls down
with a loud noise. WHAM! -- falls right on the campfire.

JAKE

AAAHHH! Hey Dave, watch out! there
is a fucking Troll.

Jake jumps up -- Dave comes running in the screen -- grabs
Jake by the shoulders.

DAVE

What the fuck, happened? Are you
okay?

JAKE

Yes, I think so. A giant Troll came
to attack us.
(MEER)

JAKE (CONT'D)

I think he is scared for fire man!
When he saw the fire he bit that
fucking tree and left.

DAVE

You look hypothermic Jake! You
shiver like a vibrator. We need to
get you warmed up in the sleeping
bag!

TIME

Third Camera - Jake is warming up at the campfire, he sits
wrapped in a sleeping bag. Even though it is a nice sunny
day!

JAKE

Oh man, I thought I would freeze to
death.

DAVE

Good thing we got this bottle of
whiskey with us.

Dave shows a half full bottle of whiskey to the camera.

DAVE

In case someone would be
hypothermic.

JAKE

Too bad you just missed that Troll.

Dave starts to laugh.

16. EXT. TRAIL - DAY

SUPER: 23 Sept 2020 - 12:36.

Third Camera - It is storming, wind is blowing, the sky is
dark.

Dave and Jake their tents are setup, beside a fire circle. In
the forest. There is a small fire, and some food cooking on
it. Dave looks at Jake.

DAVE

Do you hear that creepy noise?

JAKE

Yes, it sounds like something
really humongous is about to attack
us.

Dave pulls on a badly hidden string, running off the screen.
A tree falls down, on Jake his tent. They both jump up.

And are running while screaming toward the sound, off screen.

They come walking back 5 seconds later. Jake grabs the tree and inspects it.

JAKE

Look here. It looks to me as if,
that Troll threw his toothpick at
us.

Dave had a close inspecting of a part of the tree that penetrated Jake his tent.

DAVE

Yes, you can see here the scrape
marks.

Dave looks at Jake.

DAVE

That is what that Troll was doing.
When we saw him with that tree in
his hand the other day.

JAKE

Yes, now we know why all those
trees are broken. When we saw him
sit down chewing on that tree as if
it was a sate stick.

DAVE

That Troll must be at least 30 feet
big, Jake!

17. EXT. TRAIL ON HILL TOP - DAY

SUPER: 23 Sept 2021 - 16:23.

Dave's GoPro - Is turned on. Jake talks agitated to Dave.

JAKE

I just need it to call my wife. My
phone broke the other night.

DAVE

No, Jake I told you even at home.
You should have your own phone.
Since I can not afford to loose my
phone.

Jake throws his hands in the air, bald his fists.

JAKE

Are you really going to be like
that! We would make this a fun and
relax trip for a change.

DAVE

I have a whole list at home, Jake.
With the items you borrowed from
me, and either lost or broke before
you returned it.

Jake, shakes his head. Wants to say something but keeps his
mouth shut. Turns around; as if he leaves -- quickly turns
around -- grabs Dave's phone -- runs off.

DAVE

Hey jackass! That is the last
fucking phone we have.

Jake keeps on running.

TIME

SUPER: 15 minutes later.

DAVE

NOO FUCKING ASSHOLE. My wife was
right. When she told me that you
would ruin it all.

JAKE

Your wife would never talk like
that about me.

DAVE

That was the sweetest thing she
ever told about you, Jake.

Jake hands over the phone -- Dave check it -- the phone is
alright.

DAVE

What's wrong with it?

JAKE

The GPS. It says that we are in
Oslo.

18. EXT. MOUNTAIN - DAY

SUPER: 24 Sept 2020 - 17:52.

Dave's GoPro -

It is a nice sunny day, Jake calls his girlfriend.

JAKE

Hey, baby, what's up? Yes, the
weather is very nice here. No snow,
now. It is the middle of the summer
here.

(MEER)

JAKE (CONT'D)

Yes, we did caught some fish really relaxing. No, no, Trolls "Yet".

Dave sits waiting with his stuff ready to go. As soon as Jake hangs up.

DAVE

Come on Jake! We need to go. We need to make up some time.

Jake hands over the telephone to Dave.

JAKE

Dude, it's okay, look the weather. With this kind of weather we can make good speed.

DAVE

Yes, okay, let's start with making good time now.

19. EXT. CAMPSITE - NIGHT

SUPER: 25 Sept 2020 - 23:11.

Jake's GoPro - is turned on, it is completely dark.

It is snowing heavy.

S.O. A loud Troll roar.

Jake's hand unzips Dave's tent. Gets inside and grabs Dave by the arm. Dave somewhat sleepy and mad.

DAVE

What the fuck is going on?

JAKE

We need to go. Something is out there.

Jake goes outside the tent and looks around the tent. In the distance something big is moving in the shadows of the forest. S.O. Tent zipper.

DAVE

What is it?

JAKE

It is big.

Dave walks toward it -- sees the TROLL(10-foot large hairy creature with an ugly face. With big hands), walking -- Dave grabs Jake his shoulder and they jump behind the tent. Dave grabs something from his pocket. Jake looks around the tent. And see the Troll walking toward them 20 feet away.

Jake turns around and starts walking the other way.

Dave grabs Jake and holds him from leaving. Dave sounds a bear alarm. TUUUUUT --. They look at the Troll.

The Troll stops, he looks all-of-the sudden at his left side. Then the Troll runs into the forest.

JAKE

What did just happen?

Dave walks toward the direction they saw the Troll. Jake follows. Dave points toward his right side. Jake looks that way. The Troll has a Deer by the head.

DAVE

We better go now!

They turn around and start running.

SUPER: 30 minutes later.

They sit on the ground next to a tree catching their breath.

DAVE

What the fuck, was that?

JAKE

Well. If that wasn't a Troll it must have been a bear.

DAVE

Right a Troll. MR skeptic.

JAKE

So, what was it?

DAVE

We need to go back.

JAKE

You are crazy dude.

DAVE

No, seriously we will freeze to death.

JAKE

It's kinda cold.

They sit there while they listen.

Dave gets up slowly. Jake follows just when they want to walk back the way they came from.

In the distance a shadow crosses the trail.

They stay silent.

When a loud roaring sounds and comes toward them.

They run off again.

fucking road man.

Dave doesn't seem to see or hear Jake and keeps running at the direction Jake pointed at.

21. EXT. TRAIL ROAD CROSSING - DAY

Jake's GoPro -

They arrive at the road. They wait at the side of the road.

SUPER: 10 minutes later.

A car appears in the distance, Dave stands on the road waving the car down.

The car stops the driver, SWEDE(+60 male) starts talking in Swedish.

JAKE

Hey man we need some help.
We got attacked and our tent are
there etc etc

The man lets them in.

SWEDE

So, where to gentlemen?

Dave looks at Jake.

DAVE

Where to, Jake?

JAKE

Anywhere.

EXT. TRAIL ROAD CROSSING - DAY

22. INT. GAS STATION - DAY

SUPER: 26 Sept 2020 - 08:11.

Jake's GoPro - They are inside a petrol station. The Swede pays for some gas at the cashier.

Swedish guy to CASHIER(+30 male) in Swedish.

SWEDE

These tourists lost their tents.
And they got attacked.

Cashier is laughing.

CASHIER

Attacked by what? A bear... Or a Troll?

Swede and cashier laughing out loud.

CASHIER

There are many big Trolls here, you better stay out of the mountains.

Swede laughing out loud.

SWEDE

Tourists...

CASHIER

Probably just a moose or reindeer, they make funny noises and leave big print in the snow. Especially with the first snow like last night.

Dave looks at Jake.

DAVE

Maybe it was a moose.

SWEDE

Anyway, I have to get going. Let me know what you want to do?
I can leave you here. Or you can hitch a ride to "Fauske" 30 Swedish miles away.

JAKE

What's in Fauske?

SWEDE

It's just a town. Like any other town.

Jake to Dave

JAKE

Maybe it was just a moose. Let's go back.

Dave to Swede.

DAVE

We lost our tents and bags on the hiking trail between 'Mavas' and 'Laistugan' when we run away from that Troll.

Swede and cashier laughing out loud.

Cashier points toward a tourist souvenir of a Troll with a fishing pole.

CASHIER

They are on discount! Maybe you want to take a souvenir back home?

DAVE

Do you know, if we can find it back?

SWEDE

Yes, that is 2 Swedish miles from the road. Where I picked you guys up.

Dave to Jake.

DAVE

Two miles? It felt like we run all night long.

JAKE

Yes, we must have run at least 20 miles.

SWEDE

Yes could be. But I really have to get going, I can bring you at the start of the trail if you want. Or I go now.

JAKE

Okay, Dave, let's go back to our stuff just 2 miles. That should be Just fine, now it is light.

23. INT/EXT. SWEDE'S CAR - DAY

SUPER: 26 Sept 2020 - 08:52.

Jake's GoPro - Shows Swede, driving his car, Dave sits in the passenger seat. Outside there is a thin layer of snow.

JAKE

Tell me one more time about this cabin. I could not understand it very well.

SWEDE

About, 3 Swedish miles to the South. There is a cabin, free to use. It is a good spot to stay the night in case the weather is bad.

DAVE

We do not need a cabin. We have everything we need in our bags, and we have prepared very well for this trip.

Swede looks at Dave.

SWEDE

Oh well, suit yourself. The cabin is situated very nice on the lakeside, there are some real nice pikes there.

JAKE

What are the loud animal sounds at night? We got spooked last night pretty bad.

SWEDE

There are several animals that roam the mountain at night. It may have been Moose, Bears, Wolves, or even Wolverines. Tourists get spooked here all the time. Often they get lost in these mountains because the GPS and compass does not work properly in these mountains.

DAVE

Yeah, we noticed that with the compass and GPS. For my job I work a lot, with GPS data from across the world however to my knowledge GPS should work just about anywhere in the world.

Starts to laugh.

SWEDE

Just about anywhere yes. But not in these mountains. I can assure you that.

DAVE

To my knowledge, the only place GPS devices do not work properly; is if they are jammed, or spoofed.

Swede looks intensely to Dave.

SWEDE

Look, I just told you. Many city folks get lost around here. You convinced me that you know what you are doing. I do not know about fancy GPS, telephones and the like. But I do know these mountains. Stay on the trail and stay out of the dark.

Swede slows down the car and steers towards a parking spot on the side of the road.

JAKE

Okay, I guess, we will take it easy, Dave. How can there be snow by the way Swede? We expected the first snow at the end of our trip.

SWEDE

This far up north there can be snow any day of the year.

SWEDE

Okay gentlemen, here is the trail. I have to keep going or I will lose my appointment.

24. EXT. ROAD TRAIL - DAY

SUPER: 15 minutes later.

Jake's Gopro - Dave and Jake are at the crossing between the road and the hiking trail.

DAVE

So, just hike 2 Miles and have a sleep in the tent. And we go from there.

JAKE

Yes, sounds like a plan. Let's go.

TIME

DAVE

What I don't understand is how that Swedish guy said it was 30 miles to "Stromstrund" but that must be at least 200 KM.

JAKE

Not, sure really. All those names sound a like really. Or that guy was fucking with us.

DAVE

They seemed to make fun of us yes. I have never heard a European laugh so hard.

25. EXT. TRAIL - DAY

SUPER: 26 Sept 2020 - 16:03.

Dave's GoPro - Cold shivering, grumpy.

JAKE

Loong fucking miles over here.

DAVE

That Swedish guy was fucking with us.
We hiked at least 20 miles at night. How can he say its only 2 mile back!

JAKE

Swedish miles he said.

DAVE

Hey, Jake, did you call your girlfriend??

JAKE

Shit I forgot. Let me call her.

Jake tries to make a phone-call.

JAKE

No answer.

TIME

GF Mandy, answers the phone

JAKE

Heyy baby.
Don't be mad.
I am soo glad to hear you.
Yes everything is fine.
Just no reception.
No really.
You, want a photo?

Jake sends a picture from previous day.

JAKE
 No live picture... Bad connection
 really.
 Okay, low pixel setting.
 Wait a second.

Jake makes a picture of himself, in a T-shirt in the snow. In the background Dave stands trying to keep his hands warm in his arm pits.

Jake sends the picture by messenger to his GF.

JAKE
 Here you go.
 Yes it really was nice weather all
 week.
 It just started snowing yesterday
 No I am not lie-ing really.
 Baby.

Jake tries to call back, but no answer.

JAKE
 She doesn't believe me Dave. Can
 you believe that?

DAVE
 Don't know really, what to think.

JAKE
 Okay, she will call back tomorrow I
 guess.

26. EXT. FIRST CAMPSITE - DAY

SUPER: 26 Sept 2020 - 17:31.

Jake's GoPro -- Walks through fresh fallen snow -- he follows their own foot tracks. He looks up -- and sees the tents on the left side of the trail. When he leaves the trail and walks toward the tents. There are some giant Troll footprints in the snow. He stands over the first one that he encounters -- he stops and points toward it.

DAVE
 What is that?

JAKE
 A footprint.

DAVE
 It is big.

Dave makes a picture with his cellphone of the Troll footprint.

JAKE

I am not sleeping here. With this Troll roaming around.

DAVE

Dude, Trolls don't exist. You heard the locals. They may lock us up if we say stuff like this.

JAKE

We did see something right, last night?

DAVE

Yes, something tried to attack us.

JAKE

Maybe, it was a bear.

DAVE

Yea could be. It must have been a big one, considering this giant footprints.

JAKE

I will send a picture to my wife when she calms down some.

DAVE

I just send a picture to my sister. She is rather good in investigating, things like this.

JAKE

Let's get our stuff. And walk at least to the other side of the road. Before we sleep.

TIME

SUPER: 36 minutes later.

Jake's GoPro - Jake secures his solar panel on his backpack.

DAVE

Yes, are you done?

Jake grabs his backpack and straps it on his back -- looks over where Dave stands waiting with his backpack strapped on.

Dave's phone starts bleeping, indicating a new message received.

Dave grabs his phone, and read something on the display.

Dave reads the message out loud, so that Jake can hear it.

DAVE

I have done the research. The Swedish government website has an image of the exact same footprint as you send to me. That website states. That are the hoaxers placing false footprints. And the area you are in, is known for its bear activity.

JAKE

Yes, I was actually thinking the same. We saw a bear attack. Kinda cool.

27. EXT. RIVERS EDGE - DAY

SUPER: 27 Sept 2020 - 11:24.

Dave's GoPro - stands at a river where the hiking trail goes through the river. Dave looks over where Jake catches up with him. Jake puts his backpack down and sits on the ground.

JAKE

Uhhh, me and your wife.

Dave looks intensely at Jake.

JAKE

You know, we used to be on the same school.

DAVE

Yes I know, Jake. You used to call her, fat, all the time. But that is 20 years ago.

JAKE

Uhm, it is more like we were kinda close sometimes.

DAVE

Okay, so. You fucked her?

JAKE

Uhm, no what I am trying to say.

DAVE

Whatever happened to you two is 20 years ago, Jake. Get over it. We are married now.

28. EXT. TRAIL SIGN - DAY

SUPER: 27 Sept 2020 - 17:12.

29. EXT. CAMPFIRE SPOT - DAY

SUPER: 27 Sept 2020 - 21:41.

Jake's GoPro - sits at a fire -- Dave plays with his phone.

DAVE

Why the hell did you, lock my GPS
in Oslo?

JAKE

Because we would visit the red
light district of-course!

DAVE

Well, I just checked for that. It
is apparently half a mile down
south from here!

JAKE

You are the GPS professional. You
said we could rely on GPS even
without a map and compass.

DAVE

YES, but that did not count on your
GPS spoofing.

30. EXT. TRAIL - DAY

SUPER: 28 Sept 2020 - 12:39.

Dave's Gopro - Jake looks at the compass and a trail sign. He stands at the fork of two hiking trails.

JAKE

We need to go to the left trail.

DAVE

No, we go South. Straight on.

Jake shows the compass. It points toward the left.

DAVE

Oh this is one of your stupid
jokes. Got some magnet going on or
something?

JAKE

Look! It points that way.

DAVE

We looked at the compass 15 minutes ago Jake. It was pointing that way.

Jake moves around looking at the compass.

31. EXT. TRAIL HILLSIDE - NIGHT

SUPER: 28 Sept 2020 - 17:34.

Dave's GoPro - Jake hikes in front.

DAVE

We need to find a shelter Jake.

Dave looks up the hill -- dark cloudy sky indicates upcoming storm/rain.

JAKE

It is nearly 6:00 o'clock man! I will lose my GF, if I do not make this phone-call.

Dave grabs his phone -- looks at the display -- no signal -- shows the phone to Jake -- Jake has a close look. Jake points toward the hill top.

JAKE

The way I see it Dave; over there we have a great vantage point. From there we can decide tomorrow morning what the best route is.

Dave turns around and starts hiking -- Jake pulls Dave his jacket -- Dave stops. Dave points toward the sky.

DAVE

Look at that storm brewing Jake. That is the clumsiness, we would avoid.

Dave turns around and starts hiking again. Jake grabs the phone -- Dave holds on to it and puts it in his chest pocket.

JAKE

You told your wife, that we would stay together Dave! I will be on that hilltop tonight.

Jake starts hiking on the hilltop.

32. EXT. STOR FJELLET - NIGHT

SUPER: 28 Sept 2020 - 20:29.

Dave's GoPro - Jake walks the last steps onto the hill -- chucks his backpack down next to a, Hiking destination sign(It has 2 posts and a sign with large letter). Jake looks at the trail sign.

JAKE

Oh, wow. We made it up the elusive "Stor Fjellet".

Dave catches up and looks at the trail sign as well.

DAVE

Oh wow, that was unexpected. We need to document this. This will be a solid debunk.

Dave chucks down his backpack.

Third Camera - Dave and Jake are standing below the trail destination sign; "Stor Fjellet". They both point at it. Then bring their balded fists together as a BOX sign. And both look into the camera.

Dave's Gopro - Dave hands his telephone over to Jake.

DAVE

Don't you loose it Jake. It is the last phone we got!

Jake grabs the phone walks off -- looks around at Dave, Dave walks toward the backpacks. Jake sits on a rock. Makes a call.

TIME

View of the area - they can see a large lake in the distance.

The tents are on the other side of the campfire, in the background there is a big lake. The tents are set half up to stones, since there was no flat or camping spot.

There is a campfire in front of a make shift shelter with a dark green tarp. They sit underneath the tarp at the campfire.

DAVE

If this is the "stor fjellet" which means, according to my thorough research; big mountain. Then that big lake must be the "stor sjon".

JAKE

Pass me the whiskey Dave. Because I don't have a clue.

Dave hands over the whiskey. Dave looks at the tents that are waving in the storm.

DAVE

Good thing, that I brought those storm tent pegs. The tents look like they will fly off anytime.

JAKE

I don't think so. They are special hiking tents. They should withstand some wind.

Jake messes with Dave his phone.

S.O. Troll roaring in the distance.

DAVE

Hey Jake, do you hear that.

JAKE

That is the same fucking sound. We were running from the other night.

Jake puts the phone on a stone in between them. The display is still on.

Jake gets up -- looks around. Dave gets up as well.

The display of Dave's phone, goes to black.

Dave drinks the last gulp of whiskey.

Dave throws the empty bottle of whiskey with a solid throw over his shoulder. - KLING - it break on the single sign post.

DAVE

What ever it was. I go to bed Jake.

Jake walks toward his tent.

JAKE

Me first! I am fucking tired.

Jake jumps inside his tent and zips the tent. Dave walks toward his tent.

33. EXT. CAMPSITE STOR FJELLET - DAY

SUPER: Next morning. - 29 Sept 2020 - 08:17.

Jake's GoPro - pans around -- Dave sits at the fireplace and makes a small fire. The camo tarp has been blown away, and blows in the wind anchored by a single string tied to a rock.

JAKE

Hey Dave! Where is your phone.

Dave looks with a straight face at Jake.

DAVE

You tell me Jake. You wanted to call your girlfriend. Where is the phone Jake?

Jake is looking around.

DAVE

That was our last phone, Jake. Where the fuck is it?

Jake grabs the tarp -- looks below it -- beside it -- Dave joins the search.

DAVE

Well Jake. Where the fuck is it?

Jake gets a little bit agitated.

JAKE

Don't start this Dave. We were both here last night. You can not blame me, that some one took the phone.

DAVE

Nobody took the phone, Jake! You fucking lost it. The fucking last phone we got.

JAKE

Come on Dave. Just use your emergency phone.

Dave looks surprised at Jake.

DAVE

What emergency phone?

JAKE

I know you all my life Dave! You have always a backup.

DAVE

I was thinking, you had matured since you even proposed your Girlfriend.

JAKE

What does that have to do with anything?

DAVE

I have never lost a phone in my life. The reason I used to take a backup, was because you used to loose all my stuff, Jake.

JAKE

Ah fuck off. Phones are for pussies.

DAVE

You are the fucking pussy. You keep calling, borrowing my phones, then loose them. Even if I had an emergency phone. You would loose it today anyway.

JAKE

How will I call my Girlfriend now?

DAVE

Tell me when you know the answer to that question. Because I don't have a fucking clue.

JAKE

FUCK! she told me she would not marry me if I will not call her.

DAVE

Well, I guess you would loose her anyway. in the rain, in the tree or some other stupid place.

34. EXT. TRAIL - DAY

SUPER 29 Sept 2020 - 8:24.

Dave's GoPro - they sit at a make shift shelter. The compass is on a rock.

JAKE

So she told with this sweet voice; that she loves me.

DAVE

That's when my alarm bells start ringing.

JAKE

Yes, same by me. So I started questioning her; Where have you been last night?

Dave looks at the compass.

DAVE

Shit we just missed it. Did you get that?

Dave looks closes to the compass, so that we can see the needle. The North needle points toward his right.

JAKE

I think so. It pointed the other way just seconds ago.

35. EXT. LAKESIDE CABIN - EXT

SUPER: 30 Sept 2020 - 16:34.

Jake's Gopro - Dave hikes 40-feet in front with steady steps. In the distance there is a big lake. - Dave, sees the lake - stops hiking and turns around -- looks at Jake, and then points toward the lake. - Jake, catches up.

JAKE

That must be the lake where that old guy kept talking about. That mountain cabin must be some place on the left side.

Dave looks at Jake.

DAVE

You are not thinking about staying there. Right?

Jake, turns around and looks the way they came from(miles and miles of barren landscape). - Turns around again and sees the lake in the distance.

JAKE

We came here to make an adventurous documentary. If we stay in those mountain cabins all the time we will miss a lot of wild life, scary noises and stuff.

DAVE

That's my man! That is why I like to go out with you, Jake! Most people would stay in those tourist spots.

Jake starts hiking the trail again.

JAKE

We need to move though, we can't set up camp in eyesight of that cabin.

Dave passes Jake -- hikes with steady steps -- looks toward the lake -- stops and points toward the lake.

DAVE

Do you see that?

Jake, stops next to Dave and looks toward the lake. There is a Troll walking, next to the lake. He walks toward the left side and disappears behind the trees/hills.

JAKE

Yes! What the fuck, was that?

DAVE

It seemed big to me! Maybe that was a Troll.

Jake starts to laugh.

JAKE

Oh my God! I never thought. That I, would here YOU say that.

DAVE

It was big, right?

JAKE

Yes! Turn on your Gopro, Dave. So, we film whatever that was.

36. EXT. LAKESIDE CABIN - DAY

SUPER: 45 minutes later.

Dave's GoPro - Hikes next to the lake - looks upward and sees the mountain-cabin. Stops walking and turns around.

Where Jake walks only feet after him who gestures to be silent. Jake stops also and looks to the cabin as well -- S.O. Troll roar in the distance. Jake is spooked, stays silent. Looks around.

Dave looks around as well but there is nothing to see.

JAKE

We need to get out of here!

DAVE

Yes, let's go back?

JAKE

Yes!

Dave looks toward the mountain cabin. The door opens -- someone throws something from a pan outside. The door closes again, steam is coming from the ground.

DAVE

Did you see, that, Jake?

JAKE

Yea, she was pretty.

37. EXT/INT. - LAKESIDE CABIN - NIGHT

SUPER: 5 minutes later.

Dave's GoPro - Dave hikes next to the lake, the mountain-cabin is visible on the left side.

JAKE

Are you sure you do not want to go inside, Dave?

Dave turns around, where Jake walks.

DAVE

No, we should get going. Find a good spot to camp.

Dave turns around.

HIKER NIKLES

Hej, what's up?

JAKE

Hey.

DAVE

We are heading south!

HIKER NIKLES

Yea, I can see that!

Jake walks toward HIKER NIKLES(+35, Fit male, long hair, unshaven face) who stands in the door opening of the cabin.

HIKER NIKLES

We are coming from the south. It is a tough walk from here. Why don't you guys warm up inside first?

Jake shakes the hand from Hiker Nikles. And talks with him but it is inaudible from Dave his camera. Dave walks toward them also. Jake walks behind the hiker inside. The door stays open.

-- Dave walks inside as well.

HIKER ANNA

Hey, 1 more. What would, your name be?

Dave shakes the hand of HIKER ANNA (athletic female +-30).

DAVE

My name would be; Dave. And what would your name be?

HIKER ANNA

My name is, Anna.

In the cabin; the wood-stove is burning, the 2 hikers are casually dressed with a shirt on.

Dave pans around some and sees, Jake who walks toward the emergency phone -- picks up the horn. Puts it to his ear -- and puts it back again.

HIKER NIKLES

There is no calling mommy! In these mountains!

Dave and Jake look toward the Hiker Nikles.

HIKER NIKLES

If you can't take care of yourself. You got no business around here.

38. INT. LAKESIDE CABIN - NIGHT

SUPER: 30 Sept 2020 - 22:53.

Dave's GoPro -

The wood-stove is burning they all have a beer next to them and there are a dozen empty beer cans standing around.

Jake, sits next to Hiker Anna. Jake gets friendly with her.

JAKE

So, we walked on the mountain looking down at the lake. We saw something big walking.

DAVE

Yes, what is in these mountains that is like 10 feet big and hairy?

Hiker Nikles looks at Hiker Anna.

HIKER ANNA

I am not saying it, Nikles.

JAKE

So Mr skeptic over here thought it was a fucking Troll.

Hiker Nikles looks at Hiker Anna.

JAKE

Then we see this cabin. And the most beautiful woman I ever saw threw something out of the window.

Hiker Anna smiles friendly.

HIKER NIKLES

Hey, Jake! You are way to ugly for her.

JAKE

You don't seem like a outstanding citizen yourself!

HIKER NIKLES

Seriously, you seem like you didn't take a shower for 3 weeks.

Jake looks at Dave.

JAKE

Why is it, that all the assholes end up with the pretty woman?

Hiker Nikles, looks intensely at Jake.

HIKER NIKLES

The last guy that made an advance on her ended up missing.

HIKER ANNA

(timid voice)

He got eaten by a, Troll.

Jake starts to laugh, the others join in. The laughing stops -- half a second of silence, while they drink their beers. S.O. Troll roaring outside.

DAVE

Watch out, Jake! The Troll comes for you!

They all start laughing again.

JAKE

No, seriously. What is that growling? We hear it all the time.

HIKER ANNA

Legend has it: That are Trolls, who live on lost hikers in these mountains.

HIKER NIKLES

Haven't you guys seen all those posters of missing hikers?

DAVE

We, are making a documentary. We are debunking the "Trolls on the Kings Trail". So you won't scare us with that bullshit.

HIKER ANNA

You think, that was a fraud?

DAVE

Come on, dude! Our documentary is called "Trolls on The Kings Trail: Debunked". We are trying to find some spots where those guys camped. But we are unsuccessful so far.

JAKE

Yeah, we start to think they filmed it somewhere else. In Canada or something, Scotland maybe.

HIKER ANNA

No, that is filmed here. We can tell you exactly where some of those spots are!

Hiker Nikles, retrieves a map -- lays it down on the table -- takes a big gulp of his beer -- throws it into the garbage bucket. Points on the map.

HIKER NIKLES

Look here! This is where we are now.

Dave and Jake have a look at the map.

JAKE

Yes, here at the lake, that is what I wanted to point out.

Hiker Nikles, looks at Jake but refrains from saying something -- Hiker Nikles points toward the map again.

HIKER ANNA

If you follow the trail here, then take a strong right here. And keep heading West, you will find a small game trail. You follow that for about 1 Swedish mile.

DAVE

Yea! Now I need to know what a fucking Swedish mile is!

JAKE

Yes, exactly. The last Swede that told us to walk 2 Swedish miles, cost us 2 fucking days!

Hiker Anna starts laughing.

HIKER ANNA

And then you say, you are experienced!

Hiker Nikles starts to laugh also.

HIKER ANNA

No wonder, tourists keep disappearing.

DAVE

We are not tourists okay. We are investigative journalists, debunking a stupid hoax that went viral.

HIKER ANNA

But too lazy to investigate the local, measurements?

Hiker Anna points to a point on the map.

HIKER ANNA

This is where the Trolls ate Fred.

JAKE

Yes, nice software image they made.

Jake looks toward Dave.

JAKE

We need to go there. And show the people there is no fucking giant beasts there.

HIKER ANNA

You may want to be careful over there.

Jake looks at Hiker Anna.

JAKE

Why is that?

Hiker Nikles, moves around the table, while pointing at the map. As if he needs to stand on Jake his side of the table. Pushing Jake toward the other side of the table.

HIKER ANNA

Look if you follow the trail back, and hike 2 Swedish miles to the south.

HIKER ANNA

That is where they saw the, "quad guy".

Hiker Nikles, takes a seat on Jake his spot on the couch. And looks straight faced at Jake.

HIKER NIKLES

Locals don't like nosy tourists
over there.

TIME

SUPER: midnight.

Jake's GoPro - Dave drinks half a beer can at once. Nikles
has a close look at Dave his watch. Anna looks at Nikles.

ANNA

(In swedish)

No, nikles! They are nice guys.

NIKLES

(in swedish) Yes, but they
are prime food for the
Trolls.

Anna sighs.

ANNA

Yes, they are too stupid to stay on
the trail.

HIKER NIKLES

We have a tradition in these
mountains. It is called the
mountain drinking game.

DAVE

Well, lets see this tradition.

JAKE

We want to know all the facts and
tradition from these mountains. So
we can debunk this conspiracy hoax.

TIME

The garbage bucket has been filled with ice water and snow.

Nikles drops 4 beers in the ice water filled garbage bucket.

NIKLES

It is tradition, that we grab 1
beer with the right hand.

ANNA

Whoever takes his beer out as
first. Has to drink it up at once.

Dave looks at Jake, as if he wants to say: what's so special
about that.

JAKE

I like to try out local traditions.

NIKLES

Ready?

They all 4 keep their right hand above the ice water. Dave looks at his watch.

DAVE

Wait a second.

Dave takes off his watch and places it on the counter in the kitchen. Dave comes back and holds his hand above the ice water.

NIKLES

3, 2, 1

They all grab into the garbage bucket. All with their arms above their elbow in the water.

TIME

SUPER: 4 games later.

They stand with their arms in the bucket. Jake pulls out his beer.

JAKE

Fuck! This water hurts.

ANNA

No excuses, you got to drink it at once.

39. INT. LAKESIDE CABIN - DAY

SUPER: 1 Oct 2020 - 7:28.

Dave's GoPro - Dave and Jake wake up, all hang over.

JAKE

Hey Dave! Are you awake?

Dave looks outside the window -- turns around sees Jake, with sleepy face in his sleeping bag. On the ground next to the wood-stove.

DAVE

Right-on! Waiting for you, really!

JAKE

Where, are the others?

DAVE

Good fucking question!

JAKE
How late is it?

DAVE
Good fucking question, Jake! Those
assholes took my fucking watch!

Jake gets up -- walks toward the table -- looks on it,
underneath it.

JAKE
What the fuck! They seemed real
friendly people.

DAVE
Yeah, until you tried to hook up

JAKE

Yes. But maybe they changed the name or something. Look the entrance here, the parking there, mountain on the other side of the valley.

Dave looks around some.

DAVE

Dude! This is NOT the same place!

They leave the store.

45. INT. TROLL MUSEUM - DAY

SUPER: 1 Oct 2020 - 16:58.

With pictures and descriptions how; big footprints can be created, Fake DNA planted by mixing DNA from different kind of animals, fake hairs and a whole section how to software video mythical animals.

Dave's Gopro - walks behind Jake into the museum. S.O. Soft Troll roaring, throughout the scene. The museum is not more than 1 big room. The side they came from contains a door and some tourist information. Then the other 3 walls are divided in information sections.

Dave Walks toward the left side. Large letters on top of the wall state 'Mythical/Historical' -- Dave has a close look at 1 info board containing images of ancient Troll depictions. There is a section 'Old sagas'.

JAKE
Look here is the "Trolls on the
Kings Trail".

Dave walks over to the largest wall -- big letters on top state "Conspiracy and hoaxes." -- Dave looks at an image of Frank and Fred with some text.

Next to it are some pictures of Troll footprints and Troll hairs. Dave stands reading the text.

Dave grabs the Third Camera -- searches through the images -- there is a still image of a Troll footprint in the fresh snow, on the display. Dave looks up at Jake who happens to stand next to the HIKER DEAD(+35, male. Wears a blue shirt, black shorts and has a white baseball cap on).

DAVE
Jake! Can you keep this for a
second? I am going to take a piss.

Jake walks over to Dave. Jake grabs the camera -- looks at the display.

JAKE
Sure.

Dave walks toward the bathroom off-screen.

SUPER: Jake's GoPro. 2 minutes later.

Jake's GoPro - is turned on. Looks at the Hoaxers Info board.

He sees an image of large hairs and he reads the text. "Some of the hoaxes contain the false samples send toward various laboratory's. Some of the DNA found contains the DNA of animals such as: Moose, Deer, Reindeer, various monkeys from around the world, and even some woolly Mammoth samples have been received. All claiming to be the mythical Troll hairs."

S.O. Of a door slamming.

Jake looks that way. Dave walks out of the bathroom.

At the info board next to the bathrooms there is the Hiker Dead. Who wears the same color clothing with white baseball cap on! -- Jake pans from Dave toward the Hiker Dead and back to Dave who walks toward Jake.

DAVE

Any interesting for the debunking documentary Jake?

MUSEUM GUY (+-25, slim neatly dressed, with glasses), walks up to Dave and Jake.

MUSEUM GUY

Hey there, I hear that you are English.

DAVE

Hey, yes we are from the states. Nice museum you have here.

MUSEUM GUY

Thank you. We are proud to have the best Museum in the area. Now I hear that you are debunking this conspiracy theory.

JAKE

Yes, we try too. But we had an encounter with something bigs. Something that ate a whole fucking deer right before our eyes. And left these HUGE footprint.

Jake shows the display of the Third Camera to the Museum guy.

DAVE

What is so large that it can leave prints like this in these mountains?

Museum guy starts to laugh.

MUSEUM GUY

Oh, they got you good there, hu? It is a common thing for locals to scare the tourists away. They make some crazy noises and leave these footprints.

Museum guy points toward an Info Board with a picture of 2 guys. Who are holding a giant gypsum footprint of a Troll.

MUSEUM GUY

Like these 2 guys. They were caught faking these footprints.

Dave looks at the image.

DAVE

What we saw, was not some hoaxers. Look, we were watching this giant animal leaving these prints in the snow. Then we saw it attack a fucking deer.

MUSEUM GUY

Take it easy there. Look over here, this is an other common trick in the hoaxers play-book.

Museum Guy, points toward an Info board a few feet away. They walk toward it. Jake has a close and looks at the picture. It is a fake Troll foot, made as a shoo. There is a second picture of a Moose wearing 4 of these - Troll footprint boots

JAKE

Maybe this is what we saw, Dave.

Dave looks at the info board also.

MUSEUM GUY

I think you two saw this walking around. The snow in these mountains can play tricks on your mind.

DAVE

Dude, who are you anyway. To talk as if you know what we saw.

MUSEUM GUY

I happen to be the local wildlife management information officer.

DAVE

Okay, info guy, how do you explain a moose on Troll shoos to hunt a fucking deer at night.

Jake who walks toward the info-board and compares the image on the Third Camera with the image on the info-board.

MUSEUM GUY (OFF CAMERA)

When I heard you talk about debunking this giant hoax. I thought you were smart people. Now you talk as if you believe there are mythical creatures attacking you?

DAVE

We are smart alright, we try to debunk this stuff. But all you are showing us, seems to be more bullshit then that we saw in the actual HOAX video.

Museum Guy, walks toward Jake.

MUSEUM GUY

You guys are not hoaxing these footprints yourself are you?

JAKE

I am just wondering how these prints can be the same?

MUSEUM GUY

Let me tell you, that the guys you are looking at. Are in jail for a loong time. For hoaxing those print.

DAVE

Look dude! You can see clearly that these guys made a gypsum cast from the footprint. You do not make fake footprint with a gypsum cast.

MUSEUM GUY

Calm down there. As I told you before, the locals do not like tourists here.

DAVE

If you ask me, the locals here are loony toons. Moose, walking on Troll shoos, what idiot came up with that. And then this creepy roaring. That is not a local whirlwind.

Jake pans around some -- shows the Hiker Dead watching the commotion. Hiker Dead walks out of the museum when Dave starts to raise his voice.

MUSEUM GUY

Hey, I just told you to calm down, didn't I? Now you are scaring the tourists away.

DAVE

Calm down? How can we calm down if you tell us lie after lie. How can we put any of this in our debunking video?

MUSEUM GUY

Okay, I tried to explain you two. But now it is time for you too leave.

DAVE

We will leave after you give us 1 solid proof that those Troll fakers are hoaxers.

Museum Guy, starts pushing Dave toward the exit.

DAVE

Oh right, kick us out? Because we see through your bullshit?

MUSEUM GUY

As I told you twice now The locals don't like tourists up here.

Jake grabs Dave by the arm and pulls him toward the exit.

JAKE

I think we can better leave now Dave.

46. EXT. TROLL MUSEUM - DAY

Dave's GoPro - They stand outside the museum.

JAKE

Did you call the cops?

Dave looks toward Jake.

DAVE

With what, dude? I don't even have a fucking watch anymore. Why?

Jake points towards the road. Dave looks that way -- a police car comes driving toward them.

JAKE

Come, we need to go. They may lock us up or something.

DAVE

Yes, or steal our backpacks or something.

They make double speed.

47. EXT. TRAIL VILLAGE EXIT - DAY

SUPER: 1 Oct 2020 - 18:21.

They walk double speed.

JAKE

All bullshit in that museum.

DAVE

Did you see that guy? When I told them they are full of shit?

JAKE

Yeah, seemed like he was going to strike man.

DAVE

I think they called the cops on us.

S.O. Police sirens.

JAKE

Yeah! You are right Dave.

DAVE

We need to go!

48. EXT. TRAIL POTENTIAL CAMPSITE - NIGHT

JAKE

Let's call it the night, and see what's up tomorrow. This spot, is exactly right. Look at the view, man! Will be a blast getting up tomorrow.

DAVE

Nah, I don't know. That village gave me the creeps.

JAKE

It will be just fine. Every village has some weirdos right?

DAVE

That guy in the museum, he was lying his ass off.

JAKE

Yea, tell me about it. I can recognize a con artist from miles away.

Dave looks at Jake.

DAVE

Only when he started about the locals; not liking tourists. He was deadly serious.

-- BANG -- a gunshot rings out.

They stay silent. Dave looks around -- Jake looks around as well.

JAKE

Hunters!

DAVE

Could be. But I am not liking it! Let's stay out of sight and get the hell out of this area.

JAKE

Yeah!

They walk silently off the hiking trail into the bush.

49. EXT. TRAIL - NIGHT

SUPER: 1 Oct 2020 - 20:03.

Dave's GoPro -

Their headlights shine over the bushes while they traverse the mountain off the trail. S.O. Quad. They hide behind some brushes and sit silently. A quad with his headlights on, comes their way. Passes them on the trail. And drives back in the direction of the village.

SUPER: 13 minutes later.

Dave's GoPro -

Dave walks through the field, their headlights are on their lowest option. Dave stops walking all-of-the sudden and looks around.

Jake's GoPro - closes in on Dave, who all-of-the sudden stops. And looks around. Jake catches up with Dave and looks around as well. He sees a lake in the distance. There is a wind shelter on the side of the lake. There is some smoke visible.

DAVE

I guess you were right, that seems to be some hunters camping there.

JAKE

I don't see anybody.

DAVE

Me neither, kinda strange.

Dave grabs the binoculars from his backpack and looks through it.

DAVE

I see a backpack, and a fishing rod. Let's go there and see what's up.

TIME

Dave's GoPro - walks toward the wind shelter. When he walks around the corner he sees a dead hiker (wears a blue shirt, black shorts and has a white baseball cap on). Who lays between the wind shelter and the fireplace.

DAVE

FUCK!

JAKE(OFF SCREEN)

What is, FUCK?

Dave looks away and sees Jake walking around the corner. Who sees the dead hiker. Dave walks away.

JAKE

FUCKKK!

Jake's GoPro - has a closer look. The hiker's head is shot by a head-shot, big open wound in the skull.

DAVE

Isn't this, that guy in the Museum?

JAKE

Yes. Look at his cap.

DAVE

Yes, it is full of blood and brains.

JAKE

Look at your cap.

Dave takes his GoPro off and his baseball cap -- and has a look at his cap.

JAKE

And your clothing. They match with his clothing.

DAVE

No Fuck!

JAKE

Why did you mess with the local Wildlife Conservation Boss?

DAVE

Because he made no fucking sense.

JAKE

FUCK, WE NEED TO GET OUT OF HERE

They take off.

50. EXT. STOR FJELLET 3 - DAY

SUPER: 3 Oct 2020 - 11:02.

Third Camera - Dave and Jake stand on a hilltop, in front of a trail destination sign. The trail destination sign(has 2 posts) reads: "Stor Fjellet"

SUPER: 3 Oct 2020 - 15:41.

Jake's GoPro - They sit next to the trail, waiting for some water to boil on their 1 pit gas-stove.

JAKE

That was the craziest village I have ever been too.

DAVE

It is the dead guy that scared me.

JAKE

I still think it was some sort of local killing. Some drug dealer or something.

DAVE

Yes, I know that! But still, he was shot with some big caliber. That was not a 9mm head-shot.

JAKE

Maybe a hunting accident?

S.O. Troll roaring.

Jake and Dave listen to the roaring then look at each-other.

JAKE

Now! I need to know where that comes from.

DAVE

Listen good to it.

They both listen to the roaring.

DAVE

That is not some local whirlwind blowing through some stones.

JAKE

Okay, keep the camera rolling. We will debunk this hoax today!

TIME

Dave's GoPro - walks where the trail goes through a snow patch. There are fresh footprints from 2 people hiking through the snow. Dave follows the track for 20 feet. there are some Troll footprints in the snow. Dave has a close look at them. They go toward the right of him.

JAKE

So, we walked toward the sound. Into this direction?

Jake points toward the right of him.

JAKE

And now. The sound comes from over there.

Dave measures the distance from the 1 footprint to the next.

DAVE

Yep.

JAKE

And these footprints walk from the left, toward the sound.

DAVE

Yep.

DAVE

Whatever or whoever made these prints, had legs of around 6 feet tall.

JAKE

That must have been those hoaxers. Over which they talked about in the museum. Right?

DAVE

The sound came from this side. But there are no rock formations over here.

JAKE

So we debunked the sound theory.

DAVE

Well. Yes, sort of.

JAKE

What?

DAVE

We were not here to debunk the museum's version of the story.

JAKE

Okay, I guess we will cut this out as well. We will try tomorrow again.

53. EXT. MOUNTAIN SIDE - DAY

SUPER: 4 Oct 2020 - 11:44.

Jake's GoPro - Dave walks 20 feet in front.

DAVE

I think this is what we saw, Jake.

Jake catches up to Dave - Dave looks at a small 1-pit gas stove. And 2 backpacks and hiking equipment for 2 persons.

JAKE

They left in a hurry.

Dave looks around.

DAVE

Yes, they must have been scared for something. To leave all their vital equipment behind.

Jake is looking through the stuff left behind. Jake grabs some items.

JAKE

Oh my God. We hit the jackpot! Look at all this stuff.

Dave looks at Jake who holds a pair of skis.

DAVE

Oh wow. That is just what we need.

Jake grabs the 1-pit gas stove and shows it to Dave.

JAKE

This gas stove may be handy.

DAVE

What if they come back for it?

JAKE

Oh yes, you are right. But, I take the beer and the candies. They can survive without those.

Jake stuffs some beers and a bag of candies in his backpack.

DAVE

Whatever! Lets follow these tracks. Maybe we can help them.

- BANG - A gunshot rings out. Dave falls on the ground and looks toward Jake. Jake stands upright, overlooking the terrain.

DAVE

Get down! Jake. They may shoot at us.

Jake gets down on the ground.

54. EXT. HIKER MEETUP - DAY

SUPER: 4 Oct 2020 - 13:45.

Snow covered mountains in the background.

Jake's Gopro - sits behind a boulder -- Dave boils some water on a 1-pit gas-stove. They both keep a low profile behind the stones. Jake peeks over the stone.

There is someone running in the distance.

JAKE

There is some-one!

Jake gets up and looks over the boulder -- a Hiker is running. Dave gets up -- stands in front of the camera and waves with both arms toward the hiker. The hiker sees it and runs toward them. Jake and Dave duck down behind the boulder again. The HIKER HAKON(20-25, Male) jumps next to them. They all stay low.

Hiker Hakon, has some bad facial wounds. As if a claw grabbed his head.

JAKE

What the fuck happened?

The hiker looks totally bewildered at him.

HIKER HAKON

English?

DAVE

Yes, we are from the states. We can not speak Norwegian.

HIKER HAKON

They got my Girlfriend. Cindy.

JAKE

(exited voice)

Who is they, man?

DAVE

Just take it easy okay. I am sure we will figure this out.

Dave grabs the Hiker Hakon by his shoulders and looks him straight in the face.

DAVE

Who is they?

JAKE

Did she get shot?

DAVE

In the head?

HIKER HAKON

They got her. I hope she did not suffer.

JAKE

Who the hell are they? Why are they shooting?

Hakon points toward a mountain range behind them.

HIKER HAKON
I saw him last on the mountain
range behind us.

DAVE
Who is he?

HIKER HAKON
I can't say. We don't talk about
them in these parts.

Dave looks at Jake. Then he grabs the third camera.

Dave zooms in on the mountain behind them while he stays out of sight.

Third Camera - Zooms in on the mountain, there is the QUAD GUY(+40, big male, in black clothing, with a black helmet. Rides on a black 4 wheel quad), standing looking over the valley.

Jake's Gopro -

DAVE
I see only a guy, from the Wild
Life Conservation.

JAKE
How do you know, who it is?

DAVE
It is the Quad Guy, that they
showed in the museum.

S.O. Troll roaring. Hiker Hakon hears the Troll roaring -- Jumps up -- runs off without saying a thing.

JAKE
What the fuck?

Jake looks where the hiker left -- a Troll is seen stalking the hiker, the Troll stays low and walks on hands and feet. The Troll makes a run for it -- jumps Hiker Hakon from the side -- Hiker Hakon screams his lungs out.

HIKER HAKON
AAAAAAAAA!!!!!!!

The Troll grabs Hiker Hakon, by the head. While the hiker keeps screaming out loud, then the Troll, pops off his head. Dead silence follows. The Troll sits down, with the head and starts sucking the blood out. The Troll looks straight into the camera. The Troll gets up and walks toward them. Jake turns around -- hides behind the boulder -- Dave, jumps down also -- looks at Jake.

DAVE
That! Is fucked up!

They both sit as silent as can be.

S.O. Quad in the distance.

Jake looks at Dave who nods in the direction where the sound came from. Makes a stay silent gesture.

Jake stays silent but also peek over the stone -- sees the Troll run into the direction of the Quad sound.

55. EXT. HIKER MEETUP - DAY

SUPER: 15 minutes later.

Jake's GoPro - Jake lays on the ground and sees, Dave who lays on the ground also.

JAKE
We can't stay here.

DAVE
I know! They were after that guy.

JAKE
How do you know?

DAVE
When he was killed. Those guys left.

JAKE
When that quad left, that Troll run after him.

Dave looks at Jake.

DAVE
How do you know which way he ran to?

JAKE
I saw it.

DAVE
We need to film that Troll, close up.

JAKE
You want to film that Troll as evidence. For what?

DAVE

Think about it, Jake. What if we film this unknown man-eating creature? And proof its existence.

JAKE

What's the point?

DAVE

We will be world famous documentary makers and become rich in the process.

JAKE

My soon to be wife, keeps talking about moving to a better neighborhood.

DAVE

This is your chance of a lifetime Jake. If we pass this chance someone else will do it!

Jake gets a binoculars from his backpack and looks around through it.

JAKE

Let's leave the bags here and make sure we come back on time.

56. EXT. TRAIL HAKON - DAY

Jake's GoPro - walks 10-feet behind Dave, who walks bend over and stops at the kill-scene. Dave has a close look at the bloody and headless body of Hakon. Jake also has a close look at the bloody sight. Walks a few feet and sees Hakon's head laying against a stone.

DAVE

Stay low, Jake! They may shoot at us.

57. EXT. TRAIL - DUSK

SUPER: 4 Oct 2020 - 16:47.

Jake's Gopro - Dave walks in front. He looks away from Jake and stops. He waits for Jake to catch up.

JAKE

What's up?

Dave points to the left, Jake looks that way. There is a track in the snow visible.

JAKE

Oh, good, now we just have to follow it.

DAVE

How far can you track that trail with, your binoculars?

JAKE

Let me check.

Jake traces the trail with his binocular.

JAKE

It's disappearing behind that mountain over there.

Dave starts hiking to that mountain, Jake follows.

TIME

SUPER: 30 minutes later.

Dave stops for a low wire-fence and looks at the fence post. There is a Troll sign on the wire-fence. Jake has a close up of the Troll sign while Dave keeps hiking.

Dave tries to look over the hill top -- then Dave slowly walks up the hill. Jake follows a mere 3 feet behind him.

JAKE

Where is that trail?

Dave gets up the hill.

DAVE

There he is, get the camera!

Jake stands next to Dave and zooms in with the third camera.

The snow where the Troll walks is walked on a lot, so it is pressed down snow from the rock side for 20 feet. There is also a quad-track leading away from there. Jake's Gopro catches the viewfinder of the Third Camera. It shows the Troll walking casually towards the rock-face. There is a baby Troll crawling from underneath the rock-face toward the Troll.

JAKE

Do you see this shit?

Dave walks back toward Jake and looks at the viewfinder.

DAVE

Oh My God!

Third Camera - The camera zooms in on the Troll. Then there is a baby Troll, crawling from underneath the rock-face.

The Troll walks toward the rock-face. And retrieves the body of a female hiker (30 fit female). The Troll makes a soft roaring sound. Which makes the baby Troll stand up, and pay attention to the big Troll.

JAKE(OFF CAMERA)
Wow, look at this shit.

DAVE(OFF CAMERA)
We gonna be rich man!

The Troll grabs the female hiker by the head -- then looks at the baby Troll. Makes a loud angry roaring sound -- and snaps off the head of the female hiker.

JAKE
Fuck!

The Troll grabs the head of the female hiker and starts sucking the blood out. The Troll looks at the baby Troll -- which comes toward the big Troll -- and hands over the head to the baby Troll -- who sucks the remainder of the blood out of the female hikers head.

DAVE
Let me grab my Gopro real fast.

JAKE
Oh this is gold Dave. I have him in the camera, dead on.

DAVE
Awesome, zoom in on his face, as well.

Dave messes around with his backpack.

JAKE
Hold on, it's kinda hard to zoom in, he walks too fast.

DAVE
What is he doing?

JAKE
He is walking toward us. Stalking walking.

DAVE
He is what?

Jake looks at Dave who just put his GoPro on his head.

JAKE
Yes, he is stalking. Like walking when he stalked that hiker this afternoon.

DAVE

Oh shit we need to get out of here.

They make a run for it -- stop -- look around -- The Troll stalks them.

JAKE

He keeps stalking us.

DAVE

We need to run Jake. He wants to eat us.

58. EXT. TROLL CHASES THEM - DAY

Dave's GoPro -

They run over a hill with fresh snow -- there appears a fresh quad-track -- they run next to it downhill.

Dave looks behind him -- the Troll is stalking walking and closes in on them. Dave grabs Jake by his jacket -- and pulls him along. Then jumps on the quad-track and slides down it. they tumble on each-other snow piles onto them -- they re covered by snow. Dave's GoPro happens to catch the Troll running away from them.

59. EXT. TRAIL STOP - NIGHT

SUPER: 18:29.

Jake's GoPro - they sit hiding behind a tree. Both are noticeable cold.

DAVE

We need to STOP!

JAKE

Yeah, we just did, Dave.

DAVE

No I mean, what we practiced back in 2015 in the Rocky Mountains.

Jake looks at Dave.

JAKE

Right 2015.

DAVE
STOP! Think, Organize, Plan.

JAKE
Yeah, I remember that. We did stop
already. Now we think.

DAVE
That Troll ate that Hiker, but he
is still hungry.

JAKE
Yes, so we should say nothing until
we are back into civilization.

DAVE
What stuff do we got left?

JAKE
2 tents and plenty of food to last
for a month.

DAVE
So the plan is to stay silent, stay
out of sight and hike as fast as we
can to any light or man-made
object.

JAKE
Also we need to keep filming. If we
make it out alive, we will be super
rich and famous.

60. EXT. BACKPACK SCENE - NIGHT

Dave's GoPro - Dave looks through the fresh falling snow --

DAVE
Over there! About a mile away.

Jake looks that way -- sees nothing but snow.

JAKE
Yes I know. But how the fuck do we
get; over there?

DAVE
We won't find it in the dark.

Dave starts to stamp the snow pile against some stone with
his boots. Jake looks at it.

JAKE

Okay. Need some help there with
your sand castle?

Dave shuts up, and keeps working. Jake starts to help. Dave shuffles some extra snow with his boots to make the pile larger. Dave grabs his bush-craft knife and starts making a hole in the snow-pile.

JAKE

I am NOT sleeping in that!

DAVE

Okay.

Dave keeps making the hole in the snow shelter larger.

DAVE

Can you look for some sticks, twigs
anything?

Jake walks off.

TIME.

SUPER: 1 hour later.

Dave and Jake sit in the snow-cave, a thermo-blanket is on the floor. And there is a small fire in front of the opening. Dave hands over a plastic bag to Jake -- Jake looks at it -- Dave grabs some snow and puts it in a similar bag. puts it in his side pocket.

DAVE

Just some water, you know.

JAKE

Yes duhh, I know. Just wonder why
the hell you would have 2 plastic
bags with you.

Dave grabs a candy bar -- breaks it in 2 and hands over 1
portion to Dave.

JAKE

Any beer in that 'Every Day Carry'
pack of you?

61. EXT. BACK TO BACKPACKS - DAY

SUPER: 5 Oct 2020 - 09:34.

Jake puts his backpack on his back.

JAKE

They piss on it.

63. EXT. TRAIL - DAY

SUPER: 2 hour later.

Jake's Gopro - Dave sits on a rock with the compass in his
hand; the compass needle points toward his left. The needle
turns counter clockwise for 90 degree.

JAKE

That's odd. Last time it went
towards the right!

DAVE

Every hour, is my best guess!

JAKE

We have been staring at that thing
for hours, Dave. At least every 2
hours.

64. EXT. TRAIL - NIGHT

SUPER: 6 Oct 2020 - 20:41.

Jake's Gopro - pitch dark -- Dave sits on the ground with a
dim, red headlight -- he signals to Jake to get down -- Dave
points toward his left -- makes a Troll gesture. (Broad

Jake looks around some.

JAKE

I am just glad, that I see you again. I thought, I would freeze to death while walking.

Dude, we are not going to dig up a
body!

DAVE

We need to know what happened to
him.

JAKE

Why?

Dave looks at Jake -- Jake looks back.

DAVE

Why is he here?

JAKE

Someone buried him. And as it looks
to me. Nobody has retrieved the
body for many months.

DAVE

This must be 1 of the missing
hikers. We may notify the
authorities so they can notify his
family.

JAKE

Look around you Dave. We have more important things to do. Like, getting out of here. To start with.

DAVE

We need to document this. Maybe the police can identify whoever this was.

Dave keeps digging out the body. The body is frozen in place -- Dave looks at Jake. Jake stares back.

DAVE

We are not leaving before we know who this is Jake.

Jake is reluctantly helping -- Jake removes a few stones, the face of the hiker is visible and has a haunting facial expression. Staring straight at Jake. They pull the dead guy out. Dave goes through his pockets -- which turn out to be completely empty.

DAVE
 Dude, a nightmare is one thing. But
 if you start talking about evil
 spirits. It is time to shut up,
 Jake!

JAKE
 Yeah, okay, but you don't have to
 sleep in the dead guys sleeping
 bag.

DAVE
 Why aren't you thankful for the
 dead guy? Since now you do have a
 sleeping bag.

JAKE
 Are you saying...

Jake looks at Dave.

JAKE
 I should be happy that he got
 killed and buried in no mans land?

DAVE
 I didn't sleep in a dead mans
 sleeping bag. But I slept for hours
 even without a tent.

JAKE
How long did I sleep for?

DAVE
LOOONG fucking time, Jake.

JAKE
So if it is getting dark now. And we just waking up. It will be a loong boring night.

JAKE

DAVE

Well, since there are no roads in this area on the map. And we been hiking for weeks, without crossing any roads. We must be here.

Dave hits finger on a specific point on the map.

JAKE

If you are correct. Which has like a 10% chance. Then we need to walk at least 10 days to any road. With the slow speed we make through the snow.

 bullshit. If you want to argue is 1
 thing. But what you are shouting
 now, does not even make any sense.

Jake blocks the table with the weight of his body.

DAVE
 Yeah, those fucking Trolls! Have
 eaten more people than you or me
 have fucked Jake!

JAKE
 Dave, you've gone insane! Always
 Trolls or fucking woman. I just
 told you, you do not make any
 sense.

Dave turns around -- looks straight at Jake.

DAVE
 Look.

Jake looks through the window. There is 1 Troll sitting 50-
 feet from the cabin, observing the cabin. And there is 1
 Troll walking from the cabin toward the first Troll.

DAVE
 They don't come in here.

JAKE
 You are insane Dave! They will rip
 your head off.

TIME.

JAKE
 Soo....?

DAVE
 We are stuck.

JAKE
 Stuck?

DAVE
 Yes! Fucking stuck!

JAKE

Like, stuck, as in we can't go away?

DAVE

Exactly!

92. INT. OLD CABIN - NIGHT

SUPER: 16 Oct 2020 - 08:41.

Jake's GoPro - Dave is staring into the fire in the wood-stove.

JAKE

What the fuck is that rotten smell?

DAVE

It comes from over there.

JAKE

What's, in your backpack?

Dave gets up and goes through his backpack. Dave retrieves a zip-lock bag with some black liquid in it.

Dave grabs his nose and makes a: eww it stinks face.

JAKE

Oh my fucking God. That stinks.

Jake starts laughing.

JAKE

Why the fuck, is THAT in your bag?

DAVE

That's what was in that jar at that dead hiker.

Dave throws it away out the door with a solid throw.

93. INT. OLD CABIN - DAY

SUPER: 16 Oct 2020 - 9:12.

Jake's GoPro - Dave is fixing his hiking trouser with some thread and needle. Jake grabs a pencil from the table -- Jake grabs the logbook and chucks it on the table. Opens the book and goes through the first 3 pages which are all written in Swedish. When he turns the fourth page. He reads the message (That Frank and Fred, left in the first part of this sequel.)

JAKE

This is the cabin from Frank and Fred!

DAVE
No, it can't be!

JAKE
Look at the stupid, Finish map.

DAVE
Yes, I have seen that. The same stupid Finish map is in all the cabins.

JAKE
You, keep saying that. But, how the fuck do you know that?

DAVE
You have seen the hiking trail signs! They were all the same for a hundred miles.

JAKE
That does not explain that map, Dave!

DAVE
Anyone can put up any map they want.

Jake walks over to Dave with the logbook in his hand and tries to show Dave the logbook.

Dave is stubborn and pushes the logbook away.

JAKE
Look here?

DAVE
I don't want to see the stupid entries.
And the stupid hearts drawn.

JAKE
Frank and Fred, their writing is in here!

Dave looks at Jake and grabs the logbook reluctantly, Dave starts reading the page.

DAVE
It seems to me, that they weren't joking after all. The past entries are indeed from 1986.

Dave looks at Jake, Jake looks at Dave.

JAKE
The same Cabin, The same logbook!

Dave gets up -- runs toward the door -- Jake runs after Dave, and tries to open the door. Dave keeps the door shut.

DAVE
That fucking Troll will fucking eat
you, Jake!

JAKE
It must be there, man! Only 100
feet away.

Jake tries to push Dave away. Dave pushes harder and Jake falls over on his back.

DAVE
Keep it cool! That bag is long
gone!

Jake jumps up on his feet. And runs toward the door again -- he grabs the door handle and opens it. Dave grabs Jake by the neck. And pulls him away in a headlock.

DAVE
Whatever was in it, is rotten away
by now.

JAKE
Aargggg.

DAVE
Put it out of your mind, Jake!

TIME

SUPER: 2 hours later.

Jake's GoPro - Dave sits at the wood-stove. Jake draws in the visitors logbook at an empty page. He finishes drawing a Troll, which is sitting 50-feet away, seen through the window of the cabin.

Jake goes through the empty pages, at a random page in the middle of the book there is writing. He reads it carefully -- the camera happens to catch the writing.

ON THE PAGE: "Frank gave me a free vacation. Supposedly to film this hiking adventure. However it seems to me, that Frank wants to film, how I am eaten by fucking ancient dinosaurs, Troll looking monsters. If you find 2 bodies, this would be Fred huppeldepup and Frank asshole."

Jake uses the next empty page to write an entry.

ON THE PAGE: "16 October 2020. Jake Morison and Smart ass. Dear diary, I am stuck with this smart-ass who thinks he knows it all. But he got us stuck with 2 Trolls outside waiting, to fucking eat us.

What is in the bag, Frank?

I need to know!

Some day soon, I will find out. And write in here what was inside the mysterious black bag."

Jake leaves the rest of the page empty and writes down his name on the bottom of the page.

94. INT. OLD CABIN - DAY

SUPER: 19 Oct 2020 - 14:28.

Third Camera - Is pointed outside from the window -- it zooms in on the Troll that sits observing them 50 feet away. It zooms in on the Trolls head.

JAKE

Now I am going to use my psychic ability. Zoooooommmmmmm, move away fucking Troll.

Nothing happens. The third camera pans around some, through the forest in the distance. Something moved in the trees -- the camera zooms in on a deer -- a Troll comes flying through the screen. The Troll grabs the deer and disappears.

95. INT. OLD CABIN - DAY

SUPER: 22 Oct 2020 - 16:07.

Third Camera -- looks outside at the Troll. Who comes walking from the side of the cabin. And takes a seat in his favorite spot opposite the window. There is a track through the snow exactly 50 feet from the cabin. Going round the cabin. The snow has been walked on by the Trolls patrolling the cabin.

96. INT. OLD CABIN - NIGHT

SUPER: 22 Oct 2020 : 22:45.

Third Camera -

JAKE

This is the most boring Friday night I have had in my life Dave!

Dave looks bored at Jake.

DAVE

I am not doing karaoke or something. Without a six-pack.

JAKE

We can't be sitting here watching
at that fucking Troll all night
long.

DAVE

Okay, so we play rock, paper,
scissor all night long.

Jake looks around the room.

JAKE

Let's make a ultra difficult puzzle
from that fucking Finish Map.

TIME

Dave has the folded-up map in his hands. And starts cutting
the map with a scissor from the corners inward.

JAKE

Why the hell you cut it like that.

DAVE

Otherwise it is too simple eh. Just
start with the corners.

Dave cuts the map in 2000 pieces. And throws them into a pile
in the middle of the room. they both sit down -- sorting out
the pieces. Jake grabs a few and looks toward the backside of
the pieces.

JAKE

There is something written on the
backside.

Dave looks at Jake -- then to his hands. Dave grabs some
pieces himself -- and looks at the backside.

DAVE

What is written on it?

Jake looks at Dave.

JAKE

Why the hell didn't you just cut it
some large pieces?

DAVE

Why the hell do you even want to
cut this thing in pieces?

TIME

They put some puzzle pieces together.

DAVE

Look at these pieces. They are cut with the scissor they have slight serrated edges.

Jake has a look at some pieces in his hand as well.

JAKE

Oh that makes it easy. We sort out the edges first.

Jake stands up -- the pieces are thrown through the room.

DAVE

Good job Jake.

JAKE

What noob would lay a puzzle on the fucking floor.

TIME

The puzzle is on the table. They sit opposite of each-other at the table. There is a small box of needles which pin some pieces on the table.

Dave shows 5 pieces together which appear to form a part of the border of a hand drawn map, to Jake.

Jake puts 3 more pieces next those of Dave, which connect and show the outline of a border of a map.

97. INT. OLD CABIN - DAY

The puzzle is on the table - 30% finished. The bottom part shows pieces of a map of the area complete.

SUPER: 23 Oct 2020 - 16:34.

Third Camera -

BOOM - Bang

JAKE

AUWW! WHY THE HELL DID YOU DO THAT FOR?

DAVE

If you open that fucking door, we are are dead Jake!

Jake gets up, and runs 2 steps. Makes a flying kick into Dave -- Dave falls backward, with the back of his head on the floor. Jake stands over Dave -- looks at him.

JAKE

Are you okay Dave?

Jake shakes Dave on his shoulders -- taps him in the face. Dave murmurs and sits up.

JAKE
Are you okay, Dave?

DAVE
What the hell, happened?

JAKE
You fell.

DAVE
Fuck you asshole! Did you knock me out?

JAKE
You started man!

DAVE
Go on, walk outside.

Dave gets up. Jake looks at him -- Dave starts pushing Jake. Jake starts pushing back -- Dave pushes harder and pushes Jake against the door.

DAVE
You wanted to go outside Jake. Now you go outside.

Jake pushes Dave -- Dave swings and hits Jake in the face and knocks him out. Drags the table away - we see the puzzle pieces fly through the room. Dave opens the door. We see some puzzle pieces blown outside. Dave drags Jake outside -- closes the door. Jake starts banging on the door.

JAKE
Let me in Dave!

DAVE
You wanted to go outside! Now you stay outside!

Jake starts kicking the door.

DAVE
Stop it Jake, the door will break.

JAKE
Let me in!

Dave looks through the window. Dave runs toward the door and opens it -- pulls Jake back in -- closes the door - KLANG.

Awkward silence.

DAVE

Okay, if we want to have any chance
to get out of here alive.

Dave looks intensely at Jake.

DAVE

I mean both alive. Then we have to
focus.

Jake starts grabbing the puzzle pieces from around the room.
Dave starts to help him. They start to put the pieces
together.

98. INT. OLD CABIN - DAY

SERIE OF SHORT SHOTS;

They give a BOX in front of the camera.

They have some pieces of the puzzle together again.

They sit on their chairs in front of the wood-stove.

They are face to face shouting.

Jake writes in the visitor log book.

They have more pieces of the puzzle together.

Dave sorts out his backpack.

They sit with a bored face, facing the camera.

They show their middle fingers to the camera.

They have most of the puzzle complete.

99. INT. OLD CABIN - DAY

Third camera - shows a close up of the hand drawn map, on the
puzzle.

100. INT. OLD CABIN - DAY

SUPER: 24 Oct 2020 - 09:23.

Dave's GoPro - Dave is messing with Jake his broken phone.
holds the charging cable a certain way -- it charges -- tuns
it on -- no signal -- goes through Jake his videos -- 163
messages pop up -- he reads some -- tries to send a message
-- does not work -- tries to call -- does not work.

JAKE

What the hell do you do with my
telephone?

DAVE

You are so fucking dumb. There is
nothing wrong with your phone.

Jake grabs the phone and starts to read the messages -- Dave
grabs the phone -- and holds it high in the sky. No
reception.

Jake's GoPro - reads the messages on the phone we happen to
be able to read the specific message -- "Jake, the Swedish
police says that you are in a No Service area. And that you
are there on your own risk. In other words, NOBODY COMES TO
SAFE YOU!!!!"

101. INT. OLD CABIN - NIGHT

SUPER: 24 Oct 2020 - 20:47.

Dave's Gopro - Dave looks at Jake's phone in his hand -- he
opens an app -- the app shows -- -17 Degree.

DAVE

-17 again.

JAKE

Yeah, that's what I said. Fucking
cold!

Dave sits on a chair while Jake throws in a chair-leg into
the fire.

JAKE

Well that was mine. Now it's your
turn Dave.

Dave gets up -- smashes his chair -- puts the pieces in front
of the wood-stove.

DAVE

Well, those chairs sucked anyway.

TIME

Dave and Jake sit in front of the wood-stove on the ground.

JAKE

This floor is kinda hard.

DAVE

Fucking cold dude.

Jake looks toward the table, that blocks the door.

JAKE

That table will give us 2 days
warmth.

DAVE

We can't burn that table before we
know what the fuck is on the
backside of that map.

JAKE

We can move that puzzle on the
floor.

DAVE

No way, it will be blown all across
the room before we finish it.

102. INT. OLD CABIN - DAY

SUPER: 25 Oct 2020 - 10:21.

Third Camera - is turned on -- Jake is ripping a side-panel
from the wall. There are 3 already in front of the fireplace.

DAVE

Stop it, Jake! We need this cabin
to stay alive.

Jake shows his hands; which are all frostbitten. Jake sits
down -- starts unlacing his right boot.

JAKE

Here let me show you my fucking
feet, Dave. They will be falling
off if we don't get warm.

DAVE

Yes, I know Jake. But if you take
the fucking walls down. Those
Trolls will eat us.

Jake lays back on his back. Grabs his face with his hands.

JAKE

We need to do something Dave! We
will die in here.

Dave places the third camera in the window frame, so that it
points into the cabin. Dave walks toward a floor plank, which
is someone offset from the others. Dave tries to get a hold
on it.

DAVE

Maybe we can use some of these
without compromising the shelter.

Jake gets up and looks at the plank. Jake grabs Dave his bush-craft knife from the floor. Jake starts prying the floor plank. Jake manages too pry the knife between the floor planks and tries to lift it up.

JAKE

Well, Dave! How about helping or something.

Dave grabs the floor plank at the edge and pulls as hard as he can. He can't pull it more then an inch or 3. Jake gets up -- grabs the plank also.

DAVE

3, 2, 1!

They pull as hard as they can. The plank breaks; about 3 feet of the plank flies through the air while Dave and Jake fall backwards. -- They both bump the back of their heads on the floor.

JAKE

AUWWW MOTHER FUCKKER!!

DAVE

FUUUUUCK!

They both sit up -- feel their heads -- look at each other. They get up and look at the piece of floor plank. A piece of aluminum metal is on it. Dave grabs the board. And has a close look while Jake tries to grab the plank that is still in the floor. While Jake reaches he has a look in the hole. Jake sits on his knees and looks into the hole.

JAKE

Give me a flashlight, Dave!

Dave looks over to Jake. Walks over to Jake and looks into the hole as well. Dave walks to his bag and grabs a lighter. Walks back and hands over the lighter to Jake. Jake lights it and looks in the hole while Dave walks toward the third camera and grabs it -- walks back with the camera to film inside the hole.

DAVE

What is it?

JAKE

I can't make it out from here.

Dave shoves Jake away and puts the camera in the hole. The camera shows a hatch.

TIME

Dave's GoPro - a large part of the floor has been opened. Dave walks toward it. Jake looks at Dave his Gopro.

JAKE

Is it on?

DAVE

Yes.

Jake walks toward a hatch in the middle of the opened floor. Jake uses the camp hatchet and starts smashing into the hatch -- after 5 hits -- he grabs the side of the hatch and opens it -- Dave comes closer and looks straight in the opened hatch. There is a suitcase and a large radio beacon with a small blinking, GREEN LED.

JAKE

What the fuck, is that?

Jake reaches for it with his right hand.

DAVE

Don't do THAT, Jake.

Jake backs off from the beacon and grabs the suitcase. Chucks it down next to him. Opens it -- there is a gun, a pile of maps and some emergency equipment; lighters; flares; walky-talky.

Dave grabs the gun -- skillfully checks if there are bullets in -- if it is loaded -- Jake looks at Dave.

JAKE

And?

DAVE

Ready to go.

103. INT. CABIN - DAY

SUPER: 10 minutes later.

Third Camera - is set up in the window frame and looks in the cabin. The green blinking LED is clearly visible. Dave and Jake sit next to the hole in the floor. With the box emptied on the floor. Dave has a small, half empty bottle of whiskey in his hand. Jake looks at a plastic bag in his hand. Dave takes a gulp of the bottle and hands it over to Jake.

DAVE

Ladies and Gentleman, our chances have just increased dramatically. And are now pointed toward final victory.

JAKE

We hit the jackpot here, we got a gun, some food and even some world famous whiskey.

Dave slaps his hand on a stack of maps.

DAVE

Here we got all the maps of the area to get out of here.

JAKE

Tomorrow we will shoot the Troll and make it out of here.

DAVE

Uhm, nah. With this gun we can't kill a fucking Troll, Jake!

104. INT. CABIN - NIGHT

SUPER: 25 Oct 2020 - 20:33.

Jake's GoPro - is turned on. Dave sits on the floor in front of a thee light which illuminates his face. Next to him, the floor is still opened. And the green blinking LED noticeably visible. On the other side of him there are 3 maps folded open. The gun is on the map, nearest to him. In arms reach.

DAVE

Sure, worth a try. But what if these are fucking BLANKS?

JAKE

Just shoot 1 time, then we are sure if there are bullets or blanks.

DAVE

That is a waste of maybe perfect ammo. There is only 1 magazine with 12 bullets. That's it!

Jake grabs the walky-talky that is next to him. He turns on 1 of the knobs -- it starts squeaking.

DAVE

There is nobody around here, Jake!

JAKE

Dude, this afternoon I heard some voices.

DAVE

In your head, Jake. That was just static noise.

JAKE

Static noise, that screamed for help?

Dave sighs. Grabs the pistol -- points it at Jake his head.

DAVE

Okay, I will check if they are blanks.

105. INT. CABIN - DAY

SUPER: 26 Oct 2020 - 7:17.

The maps are still on the ground. The floor board that were opened are chopped up and are in front of the fire place. Leaving a big open spot in the floor.

Dave's GoPro - shows his face in the GoPro -- Dave has a black left eye. Dave puts the GoPro on his head -- Jake stands in front of him with the gun in his right hand.

DAVE

Real tough! Hitting a sleeping guy!

JAKE

You don't point a loaded gun at my head, Dave!

Jake points the gun at Dave his head.

JAKE

I think they are just blanks. Let me test it!

Dave looks up at Jake -- Jake starts shaking.

DAVE

JAKE! Don't you fucking shoot me!
JAKE, it is time to STOP!

Jake's breathing comes down.

DAVE

Stop, think okay!

Jake looks at Dave then at the gun.

JAKE

I messaged your wife with your phone.

DAVE

Okay. It's okay Jake.

BEAT

DAVE

I know you fucked her. Forget about it.

JAKE
WHAT THE FUCK DAVE! I would never
do that. She told you, that I am
untrustworthy.

DAVE
Okay. Just put the gun down Jake.

106. INT. CABIN - DAY

SUPER: 26 Oct 2020 - 15:53.

Jake's GoPro - Looks out of the window -- straight at the Troll that is watching the cabin from 50 yards away. Jake points the gun toward the Troll.

JAKE
Bang!

DAVE(OFF CAMERA)
Yes, it is a Troll, Jake. Get over
it.

JAKE
He is just sitting there, waiting
for us to get outside. Doesn't that
make you fucking angry?

DAVE
Nothing we can do Jake!

Jake turns around -- looks at Dave - who sits looking at the maps. He keeps 1 map in his hand and compares it with the other map, on the floor.

JAKE
Yes, it is a fucking, hiking trail-
map. Get over it.

Dave waves the map he keeps in his hands.

DAVE
This one is yes.

Dave waves with his right arm at Jake. Jake comes closer. Dave points toward a logo on the map on the floor.

DAVE
Look here.

Jake has a close look; there is the Troll with the knapsack logo on the map.

JAKE
Yea, so? It is a fucking Troll
sign.

DAVE

Same as on that radio thing in the floor.

JAKE

Yes, what the fuck, IS THAT THING DAVE???

DAVE

Whatever it is, it has something to do with this map.

JAKE

Yes but, WHATTTT??

Dave lays the 2 maps next to each-other and points toward a bordered area. Jake has a close look so we can make out that the bordered areas are the same shape on the 2 maps.

The unique shape of the bordered area's on the maps coincide with the hand drawn map on the Finish map.

JAKE

So what? Two different companies who made trail maps from the area.

Dave points to a specific point at the map.

DAVE

Look, on the hiking trail map, those area's are listed as prohibited for motorized vehicles. While on the Troll sign map, those same areas are bordered with Troll signs.

JAKE

That shape on those maps, seems a lot like the shape on the puzzle!

Dave looks surprised at Jake. Jumps up -- runs to the puzzle table. Has a close look - grabs the thee-light - places the Troll map next to the hand drawn map on the puzzle. Jake has a look as well.

DAVE

Did you not download that whole Swedish encyclopedia?

Jake runs to his phone.

TIME

The puzzle is almost complete -- some random pieces are missing.

Jake walks around - moves a lot -- Dave pushes him away. Jake pushes Dave -- Dave nearly hit the table.

DAVE

Take it easy Jake!

Dave grabs Jake his phone and makes some pictures of the puzzle.

SUPER: 5:34.

JAKE

Well, what does it mean?

DAVE

I don't have clue yet. Those papers have all the translated words on it.

Jake reads through the papers.

JAKE

Dave?

Dave does not notice him -- and keeps searching in the Swedish words book. Jake slaps HARD on Dave his shoulder.

JAKE

What kind of animals are bi-pedal, Dave?

Dave stares at Jake! -- Jake reads the papers out loud.

JAKE

Legal code: Troll protection act 1328.
Trolls are protected by the King and any following government.
The Trolls have the right to live for eternity in their native habitat as defined in.
The Troll Habitat Map.
The native people of the area, have not only the right but also the duty to enforce this law for eternity.
Clarification: The Troll's diet is bipedal creatures; and large carnivores.

DAVE

No way. That is fucked up.

JAKE

What is written in the upper part?

DAVE

I still have to translate that part. It will be finished tomorrow.

107. INT. OLD CABIN - DAY

SUPER: 27 Oct 2020 - 11:26.

Dave operates the Third Camera.

Third Camera - Jake makes a documentary style video message.

He reads the text on the puzzle.

JAKE

Ladies and gentleman, we are here
to expose the Troll Hoax. However
an unexpected turn of events,
turned it upside down.

Jake points outside the window. The Third camera looks
through the window and zooms in on the Troll sitting outside.

JAKE

Now we are looking at trolls
outside the window. And we found
this ancient text in the cabin that
reads:

Insert > Image of the solved puzzle.

JAKE(VOICE OVER)

PROTECTORS OF THE LAND.
We the natives of the land, may
have difficult times to enforce
this law.
Since the diet of the Trolls may
look and behave as our selfs.
However we have been assigned a
moral duty to protect this
magnificent and endangered creature
for eternity.

Third Camera -- Shows Jake sitting at the table, with the
near completed puzzle.

JAKE

So even in the hard times, when you
have to decide between the prey and
the protected species it is
important to remember our unique
position to protect this
endangered, last species of the
God's world.

Third Camera zooms out from Jake.

Dave hands over the Camera to Jake. Jake pans to Dave.

DAVE

So this Hoax has been proven true.
We will see you in the future with
more adventures. Over and Out!

108. INT. OLD CABIN - DAY

SUPER: 29 Oct 2020 - 16:52.

Dave's Gopro - Jake sits close at the radio beacon next to Jake. Jake has the compass in his hand and holds it close to the radio.

Dave has Jake's phone in his hands and keeps it close to the radio beacon as well. the display shows "29 minutes"

The walky-talky is on the side of the radio as well.

The compass needle shifts at once 90-degrece toward the left. the timer in the display of Jake's phone shows: "30 minutes."

109. INT. OLD CABIN - DAY

SUPER: 30 Oct 2020 - 9:11.

Dave's GoPro - Jake sits at the Radio Beacon -- Dave walks toward him.

DAVE

DON'T FUCKING DO IT JAKE!

JAKE

Do what? There is not even an on or off button.

DAVE

Yes, so don't fucking ruin it. It may keep the Trolls away.

JAKE

I think this thing, messes up the compasses in the area.

DAVE

No, then we would have a stronger magnetic distortion on our compasses here.

JAKE

Okay, so this thing distorts the GPS signal.

DAVE

No, I told you 30 times now. You need a giant machine to spoof the GPS, signals on such a large area.

JAKE

Okay, I got it. So this thing
blocks our cell phone signal.

DAVE

NOO! This thing is way too small
for any of that. This thing keeps
those fucking Trolls away for 100
feet. That's it!

110. EXT. OLD CABIN - DAY

SUPER: 1 Nov 2020 - 8:13.

Jake's GoPro - peeks outside and sees the Troll sleeping. Jake looks at Dave, who sleeps in his sleepingbag next to the wood-stove. Jake walks silently toward the door and opens the cabin's door. Silently! -- He goes outside -- leaves the door open -- walks slow, silent through the 2 feet snow -- he looks all sides. Walks toward the hiking trail -- he follows the snowed over hiking trail toward the big stone (where Frank had hidden a black bag in the first part of this sequel. The bag was covered with a smaller yet heavy stone).

-- Jake sits low and has a final look around and sees the old cabin. No Troll in sight.

JAKE

This is what Dave was so scared
about. Nothing scary about this.

-- Jake grabs the smaller stone and tries to pull it away. It does not work, the stone is frozen stuck. Jake tries to kick it loose, which does not work. Then he removes the snow between the stones. Jake grabs the smaller stone and pulls with all his might.

JAKE

AAAAAA!

Jake tumbles backward when the smaller stone gives way. S.O. Loud Troll roar. Jake stops, stays silent -- looks around -- nothing to see. Grabs the black plastic bag from underneath the stone. S.O. Troll running -- Jake looks to his right into the forest. S.O. Troll roaring -- a giant Troll jumps toward Jake. Jake turns around -- and starts to run back toward the cabin. With the bag in his hand. The Troll attacks Jake -- rips his stomach open with his hand.

DAVE

JAKE! What the fuck.

S.O. Rapid gunshots - BANG - BANG - BANG - BANG - BANG.

Jake gets on his hands and knees, grabs the black bag. And starts crawling toward the cabin. S.O. Troll roaring in pain. Dave his arm pulls Jake toward the cabin.

Jakes camera points toward the injured Troll. While Jake is being pulled toward the cabin. The injured Troll stumbles toward them. At the 50-foot line from the cabin; the Troll suddenly stops. Shakes his head violently while he makes a loud Troll roar. Then the Troll turns around and walks off.

111. INT. OLD CABIN - DAY

Jake's GoPro - Jake is screaming. As he is thrown on the floor by Dave. Dave slams the door shut. Dave opens Jake's jacket. Grabs a small pocket-knife from his pocket and cuts open Dave his sweater and T-shirt.

JAKE

Auuuw, take it easy.

DAVE

You just relax okay, Jake.

Jake tries to open the black plastic bag. Dave grabs the plastic bag from Jake's hands and throws it with a firm throw in a corner of the cabin. Dave grabs a first aid kit, from his backpack. Hands 2 pills to Jake. Grabs a canteen from beside the wood-stove. And gives it to Jake. Jake swallows the pills. Dave looks at the wound. Dave messes around with the wound.

JAKE

AAAAAAAAAAAA FUCK!!

DAVE

Relax!

Dave grabs some bandage from his medical kit and starts cleaning the wound.

JAKE

Is it bad?

DAVE

Yes it is.

JAKE

How fucking bad.

DAVE

You should survive it. But you have to keep still.

JAKE

You know that, I am dying right?

DAVE

You are NOT dying. You just have to give this wound time to heal, without moving.

112. INT. OLD CABIN - DAY

SUPER: 1 Nov 2020 - 11:23.

Dave's GoPro - Dave throws some table pieces into the fire.

JAKE

Give me 1 more of those pills.

DAVE

We need to save them. Tomorrow, you will be in more pain!

JAKE

Maybe, there are more pills in the bag!

Dave stands up and walks toward the bag. Grabs it off the ground. Has a look at it. Feels it.

DAVE

Whatever is in here, it was not worth the trouble, Jake!

Dave walks up to Jake, who is in his sleeping bag next to the wood-stove. Jake has the bag in his hands, starts to smile. Jake looks into the camera.

JAKE

Ladies and Gentleman, it has been 18 years since this bag has been in the hands of the bipedal food-source. Now it is our turn to debunk this hoax once and for all. No man on earth would be so stupid, to put this bag into the snow while being chased by man-eating ancient fucking ugly Trolls.

Jake tries to pull the bag open, but he fails. Dave hands over his bush-craft knife. Jake carefully cuts the bag in the upper side. then he tries to pull open the bag.

JAKE

AUWWW FUCK MOTHERFUCKERS!

DAVE

Take it easy, Jake!

Jake looks up to Dave.

JAKE

Here make a close up.

Dave comes close to the bag, while Jake opens it. Jake grabs a handgun from the bag. Gives it to Dave, who puts it next to him on the floor.

JAKE

Well, does it work?

DAVE

It doesn't matter anymore Jake. We can't kill a fucking Troll with a handgun.

Jake turns toward the bag again, and takes a pile of Swedish cash out of it. Puts it next to the gun. Then he takes out a small electronic device. He looks at it, switches a button, but nothing happens. Dave grabs the device and has a close look. There is some text on the device, that reads; "GPS beacon".

DAVE

Long dead!

Jake looks into the bag again and takes out a paper. And reads it.

JAKE

Oh great a fucking phone number!

DAVE

Yeah, I told you. That bag was not worth the trouble!

Jake grabs the bag and empties it on the floor. There falls a Swedish Passport out. Dave grabs it, and has a close look. It is a Swedish passport for Frank, with his pass-photo next to it(protagonist from the first part of the sequel).

DAVE

Some fake passport. Will give us 1 second warmth in the wood-stove. Great fucking mystery.

113. INT. OLD CABIN - DAY

We got to Dave. I know you are smart, calculated, and stuff. But you have to realize that there is no other option.

Dave looks at the radio beacon, then at Jake. Jake is a mess, long beard, blue and black fingers, make shift patched up stomach. With the second gun next to him. Dave walks toward the radio Beacon -- pulls the red cable out. Jake looks at Dave -- Dave looks at Jake. They keep silent, listening. Dave walks toward the window, looks outside. The Troll is gone -- Dave pans around, there is no Troll to see.

BANG -- The Troll tries to get inside.

DAVE
I told you so.

JAKE
Fast, turn it back on!

Trolls keep running into the door. Dave tries to reconnect the power. However the connection breaks. The Troll ROARS out loud.

Jake tries to crawl toward the Radio Beacon. Jake is in pain and shouts in pain. Dave looks at Jake.

DAVE
Stay there Jake! You will kill yourself if you keep moving.

Trolls banging the door.

JAKE
Do something Dave! They are coming inside.

The door breaks -- a Trolls head comes inside. Jake throws his coffee cup toward the Trolls head. Dave messes with the radio beacon. The Troll roars loud. Leaves the door.

S.O. Telephone rings, just a single time.

They look at each-other -- Jake gets up and stumbles toward the telephone, while Dave runs toward it -- Dave grabs the phone and listens. Jake falls down in pain.

JAKE
AAHHHHH FUCK MY STOMACH IS
EXPLODING.

Jake crawls toward the wall to lean against.

115. INT. OLD CABIN - NIGHT

SUPER: 49 minutes later.

Dave's GoPro - S.O. Quad.

Dave looks toward Jake. Jake looks toward the window. Dave grabs the gun and walks toward the window and looks outside.

Some light becomes visible from a quad, driving toward the cabin.

The Troll that has been observing them, becomes nervous. He looks around, stands up, moves toward the right then toward the left.

Dave looks at Jake. He happens to sit in the moonlight shining through the window. with the second gun next to him in arms reach. Jake looks like a mess, the makeshift bandage around his waist is soaked in blood.

Dave sets up the third camera -- pointing outside from the window.

The quad is parked next to the cabin, off-screen while the lights of the quad shine in the direction of the Troll.

The Troll looks nervously into the direction of the quad's lights.

Dave looks toward the Troll then toward the green blinking LED.

Dave raises his gun and shoots twice at the radio beacon - BANG BANG -. The green blinking LED is gone.

Dave looks through the window again and sees The Troll walking stalking slowly toward the quad guy.

The quad guy comes walking slowly into view with his BIG, Troll hunting gun (with a scope and a laser light), drawn at the Troll.

Dave raises his gun and has the quad guy in the cross hairs of his gun.

JAKE
DON'T SHOOT HIM. WE NEED HIM.

Dave looks over to Jake.

DAVE
He will kill both of us.

JAKE
HE IS HERE TO SAVE US.

Dave looks toward the outside again. S.O. Troll roaring. The Troll charges at the Quad Guy.

Dave who tries to get a shot on the quad guy, but the Troll is in between.

BANG - BANG - BANG. The Troll slumps down. Gets up again and walks toward the Quad Guy -- BANG - BANG. The Troll falls dead backward.

JAKE

You know Dave. That thing I said about your wife.

Dave looks at Jake.

DAVE

You fucked her?

JAKE

No man, fuck! (believe me look)I would never do to that.

DAVE

What is going on with the 2 of you, Jake?

Silhouette of a man walking moves over Jake.

JAKE

I have met your wife, a few times after we finished university. We have some old friends we visited once in a while.

DAVE

She never told me that. She said she had not seen you for over 20 years. When did this happen?

A red laser light -- pans around the cabin.

JAKE

I have always waited for the right moment to tell you.

The red laser light stops at Jake's heart.

DAVE

Now would be the right moment to tell me Jake!

The red laser light moves slowly to Jake's head -- Jake wants to say something -- - BANG - Jake gets head shotted.

Jake's head explodes -- blood and brain matter spew all over the wall. While his body rests sitting against the wall.

The red laser light pans around systematically. Dave ducks down. He grabs the pistol. he looks through the window -- sees the red laser light -- ducks down -BANG- -- S.O. Troll roaring LOUD.

BANG - BANG - BANG - BANG - a bullet hits Dave's leg. Moonlight shines through the bullet holes through the wall.

Dave checks the magazine in his pistol -- reloads it -- points the gun toward the body of Jake.

JAKE

Did you just fuck her?

Then Dave points the gun toward his own head.

DAVE

Or did I raise your child as my own
Jake?

BANG -- Dave screaming his lungs out!

DAVE

That fucker got me in the leg.

Dave raises the gun points it at the body of Jake. S.O. Knocking at the door -- Dave points the gun at the door -- unloads 5 bullets (BANG, BANG, BANG, BANG, BANG). (magazine is empty now). Dave keeps on 'shooting'. KLIK, sound of Dave's empty gun. The door goes open. The quad guy stands in the door opening.

Dave points the gun at the Quad Guys head. Pulls the trigger -- it is empty -- Klik - KLIK - KLIK - KLIK - KLIK.

QUAD GUY

I am here to help.

The quad guy raises his gun toward Dave - BANG-. The camera falls sideways -- we see the world upside down -- the quad guy turns around -- leaves the cabin.

The quad guy is heard driving off.

The End!
